1979

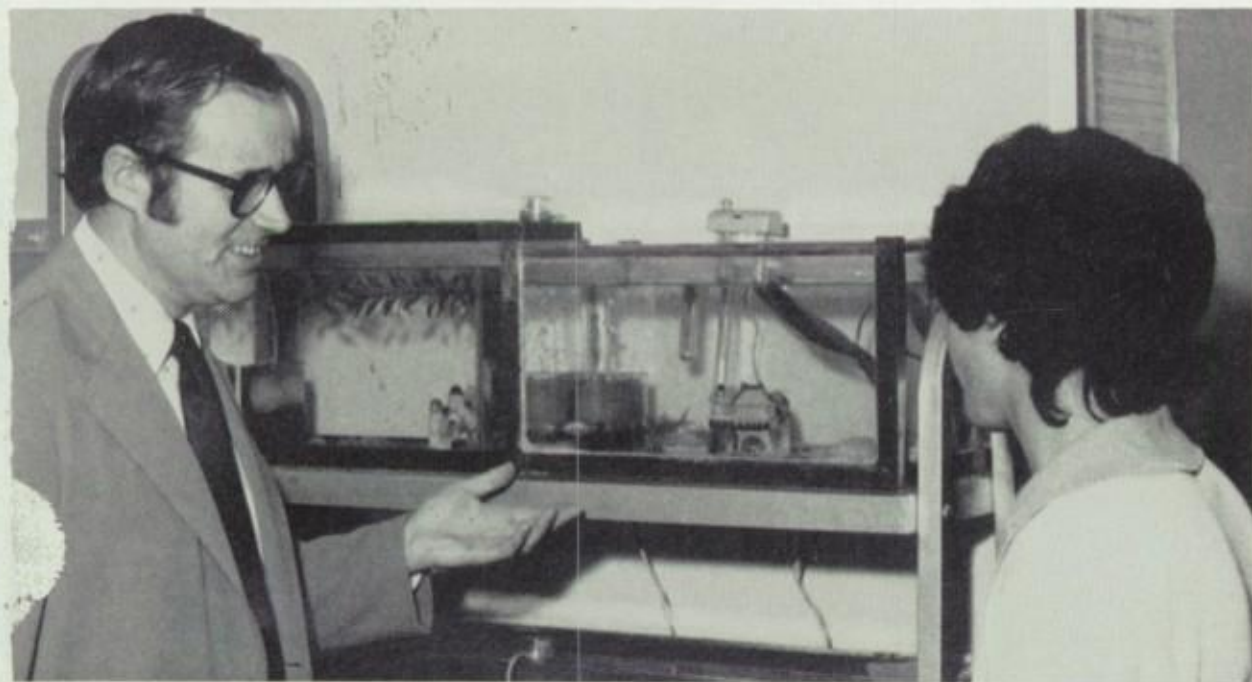

1979 REFLECTION

THE 70's was a decade that brought many strange and exciting happenings into the world and into our community, such as the Watergate scandal, the new sport called "streaking," the ending of the Vietnam Conflict, the gas and oil shortages, the energy crisis, and inflation; and locally, there was a beautiful new high school built, the 1973 baseball Stars were state runners-up, the school lost several established teachers, principals, and a superintendent, but they were replaced by capable people, and numerous athletes, students, and musicians turned in stellar performances and achieved success in various fields.

For the seniors it was a decade full of heartaches, headaches, and backaches, but above all, it was a decade full of happiness and togetherness. Most of the seniors never dreamed that someday they would be wearing that "silly" cap and gown and would be walking up the steps to receive their diploma. They watched through the years as the older grades went through the ceremony, but they just could not make themselves believe that someday it would happen to them. But now the time has come, and although most of them have waited for an eternity for the moment when they would not have to return to the high school, many of them will miss it after it is gone. The Class of "79" will be remembered for many outstanding accomplishments, but their greatest distinction will be that they were the best and the last graduating class of the decade.

AN INTRODUCTION TO THE BOOK

ON these two pages we will attempt to give you a little peek at a few of the activities, functions, sporting events, and people that are involved in the school and that will be shown later in the book. There were numerous new and different, not to mention interesting and exciting, ideas introduced into the school program. Several people introduced the fresh ideas which helped to lighten the sometimes-boring days. It was an outstanding year for everyone involved at the school, and there were many standout performances registered in several fields. The last year of the decade was a vast year of change because of the new teachers and administrators that made their presence known at our school and the fresh ideas that these people and others introduced. 1979 was a good year at the high school, and hopefully the coming years in the 80's will be just as good or better than this last year.

THANKS FOR EVERYTHING YOU GAVE US

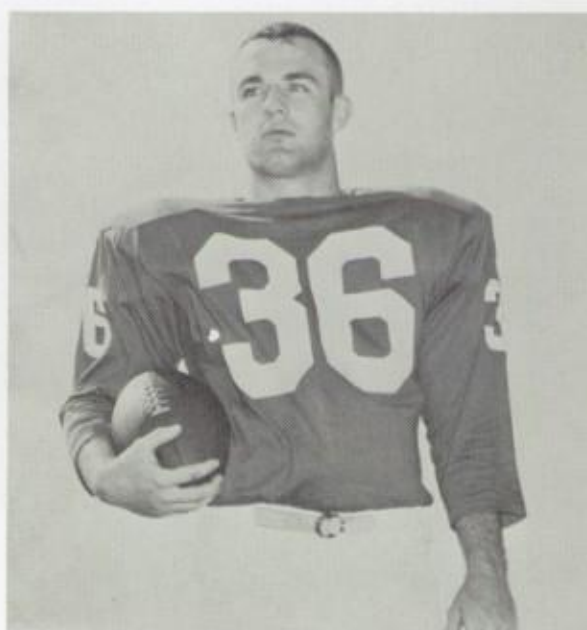

The 1979 edition of the Reflection is proudly dedicated to Mr. Robert Bridge. Mr. Bridge is a fantastic human being who was always there when someone needed help or advice. Besides teaching us the important facts of history, he also talked to us about current events, and he taught us about life in general, which is just as important as the information in our history books. Mr. Bridge is also a talented football and track coach who molds his teams into close-knit families that work together as a unit. We realize that successful coaches move up the ladder and that it is quite possible that he will leave South Adams in the near future. Hopefully, he will remain at South Adams a little longer in order that many other students and athletes will be able to receive the benefits and enjoyments that we have for the last four years. We would like to express our sincere appreciation, gratitude, and respect to Mr. Robert Bridge, a highly respected man in our eyes, for making our last four years in high school, four of the most memorable that we will ever experience. We wish the best for you in the years ahead, and we hope that someday our paths will meet again.

Thanks for everything from the "Class of '79."

WHAT a mess. Where do I begin?

"STARS REFLECT THE PAST"

THE South Adams Homecoming was very successful. The Homecoming festivities began with a flaming bonfire on Thursday evening. Many of the student body and many people from the community attended the bonfire on the cold, drizzly night to listen to Coach Bob Bridge explain how the defense and offense of the team functioned. He also introduced the starting offensive and defensive units for the upcoming game.

On Friday afternoon from 3:30-7:00 P.M., the FFA held its annual chicken barbecue. The meal included half of a chicken, baked beans, roll and butter, peanut butter brownie, and milk or jungle juice.

Prior to Homecoming, the student council

decided not to have a float competition but instead to have a hall decorating competition. The first prize of twenty-five dollars went to the freshmen class, who decorated the teachers' dining area.

Another exciting event during Homecoming was the crowning of the Queen. The student council also decided not to have a King for Homecoming, but to have escorts for the Queen candidates only.

Selected as 1978 Homecoming Queen by her fellow students was Miss Tami Amstutz, the daughter of Mr. and Mrs. Wayne Amstutz. Prior to the crowning, the Marching Starfires performed for the crowd.

The big event of the entire festivities

WHEN I grow up I want to be Homecoming Queen.

was the football game against county rival, Adams Central. South Adams dominated the Flying Jets and handed them a 30-6 defeat. At that point in the season, the Stars proudly owned a perfectly unblemished 5-0 record.

Following the game, a dance sponsored by the student council was held in the commons. The highly recommended band, August Heat, performed for the many people who attended the dance.

The entire Homecoming celebration had to rank as one of the most successful and spirited in South Adams History.

BEAUTIFUL FACES AT SOUTH ADAMS

A person walking around South Adams High School can see a great variety of facial expressions during the course of a year. We thought that it would be interesting to capture some of these expressions and show them to you. We tried to illustrate a wide range of looks, ranging from happy and ridiculous to sad and despairing. Although many of these students have on disguises, we hope that the parents of these people will be able to identify their children.

NO, Rex, you can't come over tonight because there is school tomorrow.

FOR A BREAK IN THE ROUTINE

THE beautiful halls at South Adams High School present a diversity of attractions and atmospheres. The halls are a busy and crowded section of the school when students arrive for school, between classes, lunch-time, and when school finishes for the day. The carpeted halls offer the students a comfortable place to exchange interesting gossip, study for a test, complete assignments, talk to loved ones and friends, or just to sit down and relax before the next class. Many students enjoy mingling in the halls before school begins in order that they may discuss the happenings of the night before, rationalize about the upcoming day or hopefully grab an extra 15 minutes of sleep. The students also enjoy spending time in the halls during the lunch hour, which seems to help break the monotony and seriousness of their other classes.

A big smile forms on Christie Werst face while she is decorating the halls.

SEVERAL students take a break before they embark on another difficult class.

IT appears that Sheryl Amstutz can't decide where she should begin.

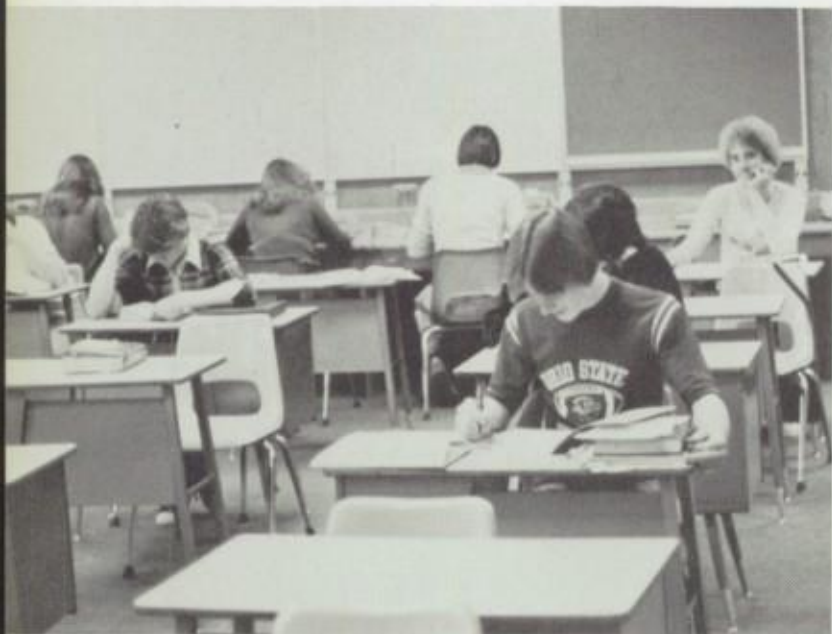

Cary Herman

THESE two senior pictures were placed on these pages because they were not present when the seniors had their pictures taken.

YOU shouldn't give dirty looks to your teacher, Robin.

MANY students work on their accounting during activity period.

TAKE A CLOSER LOOK

IT appears that Cary and Jane are boring Renee.

MOST people think that Lori is in love, while everyone knows that Teresa is crazy.

These two pages will attempt to show you a closer look at some of our students and your children at many of their varying activities and in many different circumstances. We realize that we may show you something that you did not even know your child was involved in, but, hopefully, we will not shock anybody by exposing these photographs to you. Some of them might even show your child working.

THE students are always under observation by Mr. Schuman.

THEY INTRODUCED MANY INTERESTING IDEAS NEW FACES APPEAR AT S.A.

THE high school had many new faces enter the faculty and administrative systems. The eight new men had to come in to replace the familiar faces that left last year. They had to enter a new town, get accustomed to a different setting, atmosphere, and unfamiliar people, and they had to fill positions such as teachers, counsellors, and principals. Although they had the usual problems that come to people in a strange environment, these people did an outstanding job of coping with the

problems in and out of school.

The nine fresh faces coming to the high school this year were those of Dr. Oren G. Skinner, Mr. Michael C. Hazen, Mr. Ted Schwartz, Mr. Malcolm Stauffer, Mr. Fred Schuman, Mr. Edward Buzzard, Mr. Steve Tatman, and Mr. Kent Hoopingarner. These people introduced several original ideas, assemblies, and innovations for the students, and we appreciate what they contributed to South Adams High School.

BROWN-NOSER Richard Rhoades explains an article to Mike Lehman and Mr. Stauffer.

MR. Schuman watches Jeff Ballard work on his project.

MANY teachers do more than teach as Mr. Ted Schwartz exemplifies when he was caught participating in the pioneer day.

SEEMINGLY unnerved by the excitement, Carey Moser awaits the start of the game.

DOUBLE partners, Mike Alt and Jerry Jett, await their opponents return shot.

SINGLES champion, Steve Bauman, smashes a return shot enroute to his championship.

PING PONG TOURNEY

SOUTH Adams High School held its first ping pong tournament during the last nine weeks of school. The participants, under the watchful eye of Ms. Norma Jones, played their games during their lunch hour and during activity period. The contest received a huge amount of interest with numerous contestants participating in the men and women singles and doubles and in the mixed doubles. It was an interesting and exciting event for both the people who participated and for those who watched. Hopefully the contest will become an annual event. We appreciate all the time and effort that was put forth by the people responsible in order for us to have a change of atmosphere.

SEVERAL intense and hard fought ping pong matches take place in the gymnasium.

THE mixed champions, Peggy Miracle and Mike Lehman, illustrate their winning form.

A FINAL GLANCE AT THE AMAZING SENIORS

THESE two pages, titled "A Last Look at the Seniors," are in memory of the last graduating class of the '70's at South Adams High School. Since this is their yearbook, we felt it would be nice to give you a last glimpse at our departing class. Although they will be gone physically from the school, we are positive that many people will hold them in their memories for a long time after their departure. The school will lose a valuable dimension when this outgoing, fun-loving, talented group takes its leave. Even though the class is somewhat lazy, they did work extremely hard at having a good time. They accomplished a great deal, and they added an exciting aura to the character of the school. We sincerely hope that this classy, star-studded, and last-of-the-decade class of '79 will use the achievements and knowledge that they garnered through their thirteen years of school to the best of their ability.

MISS Tammy Balsiger gives us her sophisticated look.

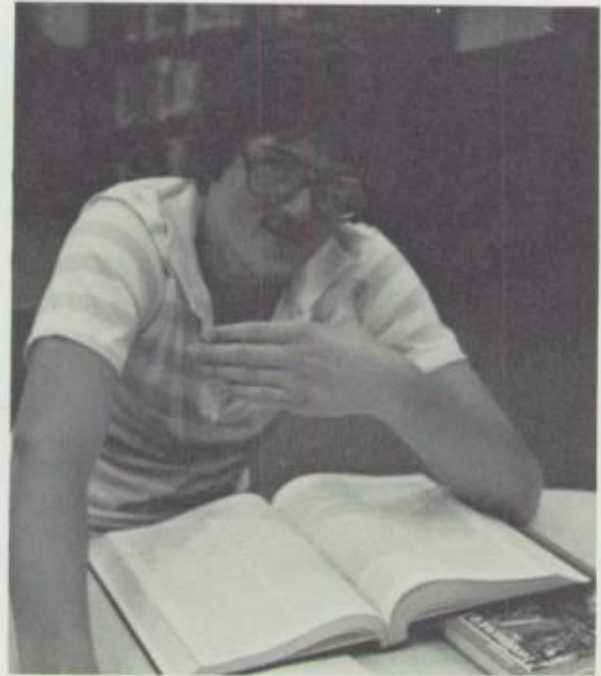

DO you have to revert to your childhood habits, Cathy?

PLEASE don't eat that, Mr. Fry.

WE sincerely hope that your hand will be able to cover your face.

TAKING IT EASY

THE facial expressions and funny positions illustrated on these pages are of various people in school and in the community. During the course of a year, many people occupy themselves in numerous strange and hilarious activities! Occasionally, these people would make outlandish facial expressions during the span of one of these activities. We attempted to catch some of these faces and also some of the other places and positions that personnel, students, and townspeople find themselves. There was a wide range of places where our cameraman caught these looks and actions. Some of them were captured during a classroom scene while others were caught in a casual setting such as in the gym, halls, office, or in some other part of the school.

WHILE Seth Scholer attempts to make a speech, Matt Lehman does his best to look intelligent.

GIVE us one of your big smiles, Cary.

"FANTASY ISLAND"

ON May 11, the juniors hosted their Junior-Senior reception. The juniors put in many hours and a grand amount of money to make the prom a success. The theme for the prom came from the TV show "Fantasy Island." The palm trees, the fountains of water, and the sandy beach were just a few of the things which added to the beautiful setting.

School photographer Dan Hill took pictures of the good-looking couples and groups prior to the meal, and he also took pictures of the festivities. After a mouth-watering meal catered by the Palmer House restaurant,

the band "Kit Hara" entertained the people. The churches of the area also sponsored a concert for those who did not want to stay at the school for the entire three hours. The festivities were brought to a close with a hilarious movie, "The Return of the Pink Panther." It was joyous time for all the people involved and an occasion that will always be remembered. A big thanks goes to the junior class who gave their time and money in order that the seniors and other guests could have a good time.

NOT needing to dance to be close are Scott Moser and Penny Adams.

WAITING for their pictures to be taken are Rex Sprunger and Gerri Augsburg.

THE FINAL SALUTE TO THE PROUD CLASS OF '79

THE 1979 Graduation ceremonies held in the South Adams gymnasium brought the seniors career at South Adams to a tearful end. For some it was a joyful time as they were happy to be leaving high school, but for many it was a depressing feeling knowing that their high school days were over. For the parents and friends it was a time of mixed emotions.

During the short 45 minute program, several seniors spoke including Rex Lautzenheiser and Nancy Sauder who gave short talks, Dean DeArmond gave the Invocation, and Mike Lehman gave the Benediction. One hundred and thirteen diplomas were distributed to the Class of 79 by the school board. Also adding to the program was the senior choir which sang two wonderful selections, and a girls' septet sang a beautiful number.

THE benediction was given by Mike Lehman.

READING, WRITING, & ARITHMETIC

THE English and mathematics areas are two important facets of our school's academic program. There are many different and exciting courses in the two areas that the students have to choose from.

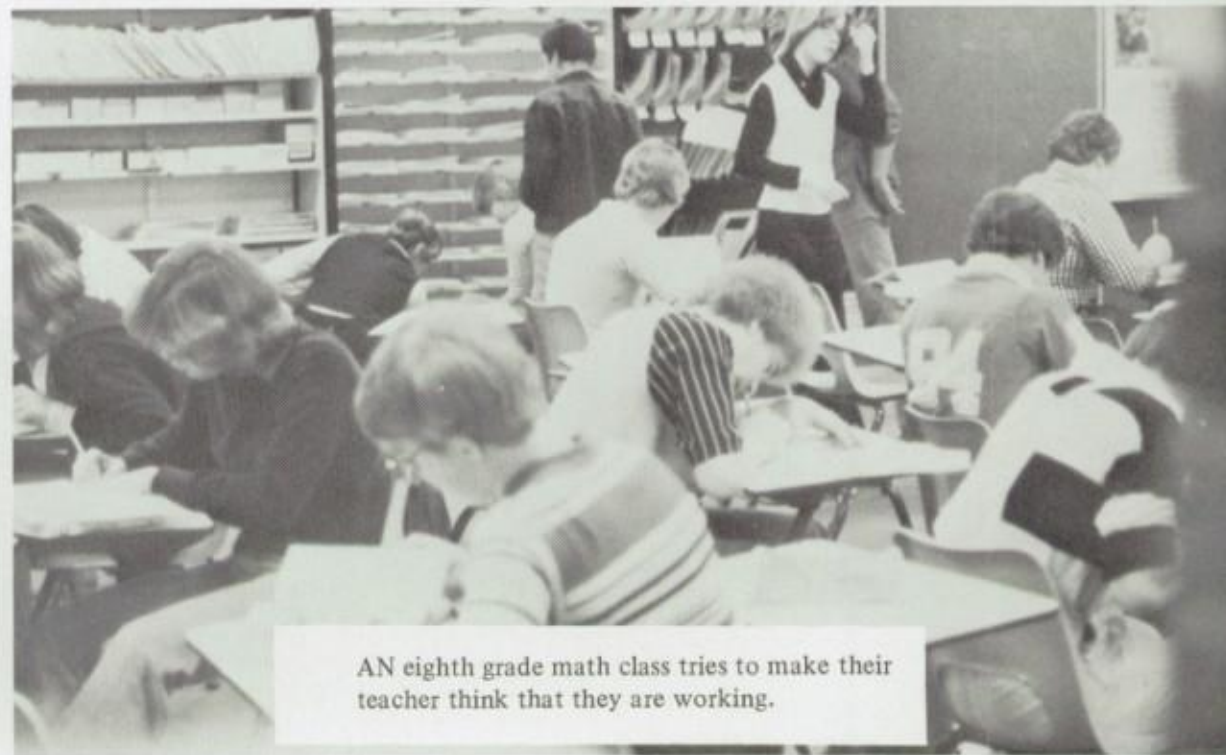

Under the careful teachings of Mrs. Neuenchwander, Mrs. Myers, Mrs. Cook, Mrs. Minch, Mrs. Linder, Miss Andrews, and Mr. Tatman, the students have many opportunities to learn new and interesting information.

Teaching the students how to make circles, understand graphs, draw straight and curvy lines, write math equations and work with various other mathematical equations and problems are Mr. Leistner, Mr. Huser, Mr. Grogg, and Miss Morris.

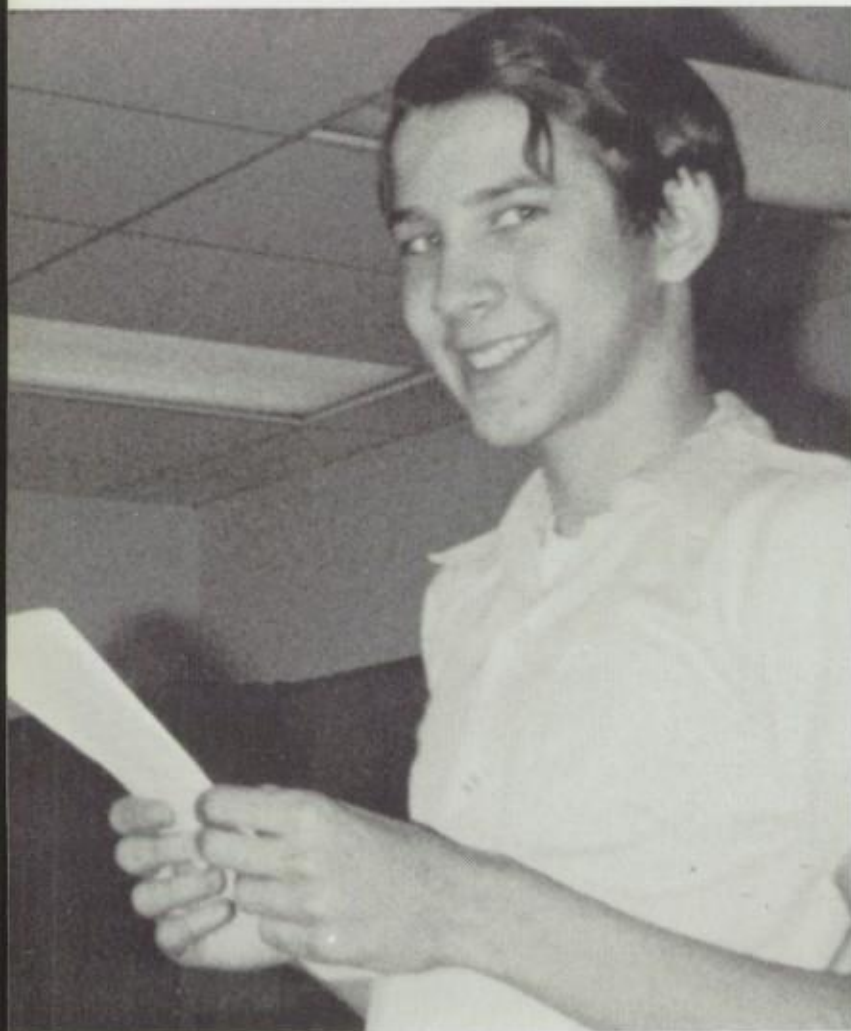

The math department also installed a new Computer Programming class that was taught by Mr. Leistner. He took the class to the Fort Wayne Community School Administrative Building for a look at advanced computers.

FOR the more studious of students, the computer was available to waste time on, as Mike Lehman, Judd Johnson, and Mr. Huser demonstrate.

EVERYONE is paying attention in class, especially Mr. Tatman.

HISTORY & SCIENCE

THE science and history departments are two more important aspects of our academic program. A student can learn and experience many interesting and fascinating developments from the variety of courses that the school offers in these two areas.

Mr. Sheets heads the science department with superb assistance coming from Mr. Mertz, Mr. Leistner, Mr. Huser, and Mr. Hoopingarner. The courses include eighth and freshmen science, biology, chemistry, physics, and Advanced Biology. Many of the dedicated students and lovers of science participate in the pride and joy of the science department, the Science Fair. The top finishers in the different divisions advance to the Regional competition at Fort Wayne.

The field of history also offers much variety with courses ranging from general history to senior government where the seniors learn to fill out income tax forms, learn some of the processes of our government, play jeopardy, and watch Mr. Bridge slowly lose his hair. Mr. Bridge, Mr. Agler, Mr. Fry, and Mr. Hazen man the head history positions.

AN eighth grade history class gets totally involved in Mr. Fry's intelligent speech.

SEVERAL girls from the Home Economics department enjoy a delicious meal that they prepared.

HOPING that she does not die if she eats the meal, is Carol Steiner.

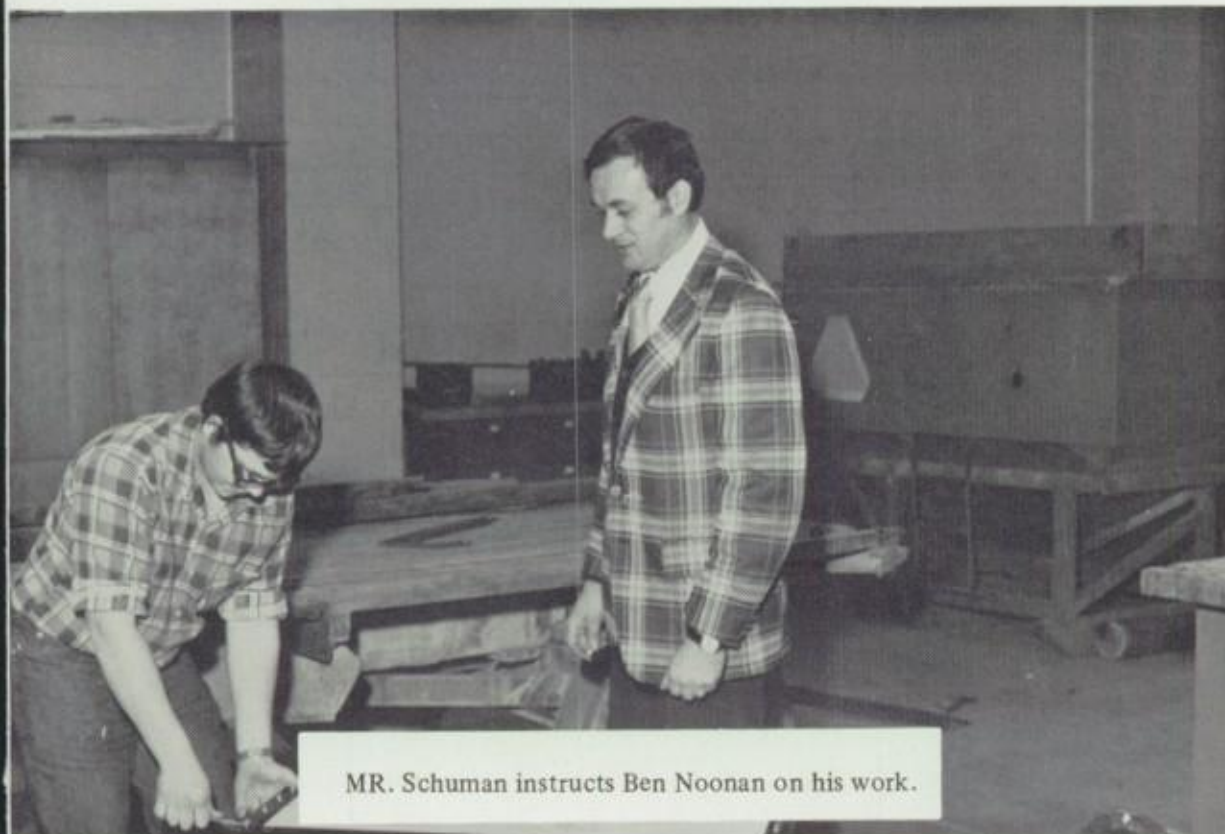

HOME EC. & IND. ARTS

HOME economics and industrial arts are two vocational areas which teach many outstanding courses.

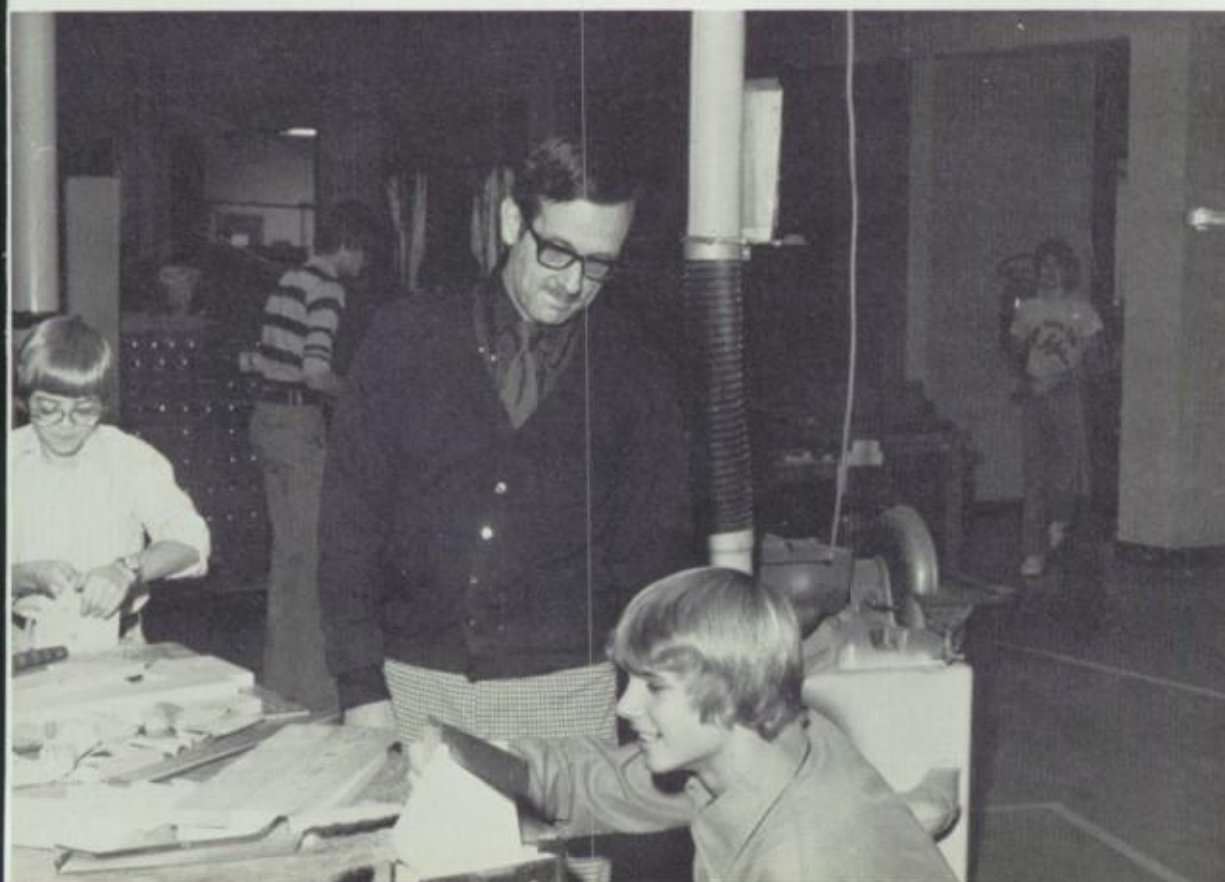

Mrs. Merkel and Mrs. Yake illustrate to the home ec. students the basic skills in sewing, cooking, and crocheting. They also offer learning courses such as mini-clothing, mini-foods, a course on child care, and a married life course. With the aid given to them by their instructors, the students prepare themselves for single or married life after high school.

Leading the students on the right paths in the industrial arts department are Mr. Arnold, Mr. Oswalt, Mr. Schuman, and Mr. Buzzard. Although they teach the pupils only the fundamentals in the classes such as drafting, small engines, woods, welding, plastics, and electronics, many of the students acquire a sufficient amount of knowledge and desire in a particular field to create an interest so that they pursue this field as their career.

A fantastic project being manufactured by Kevin Neuenschwander and Bradley Lehman.

MR. Schuman instructs Ben Noonan on his work.

PHYS. ED CAFETERIA

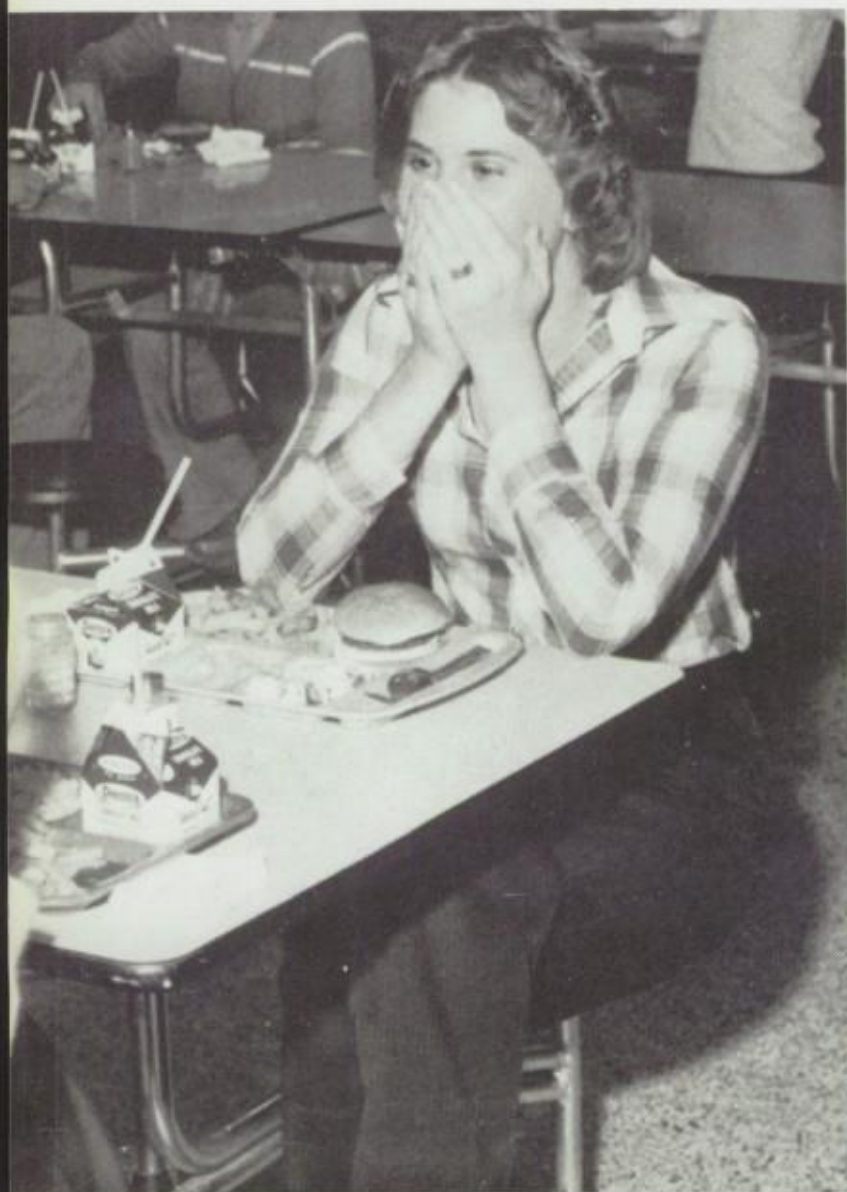

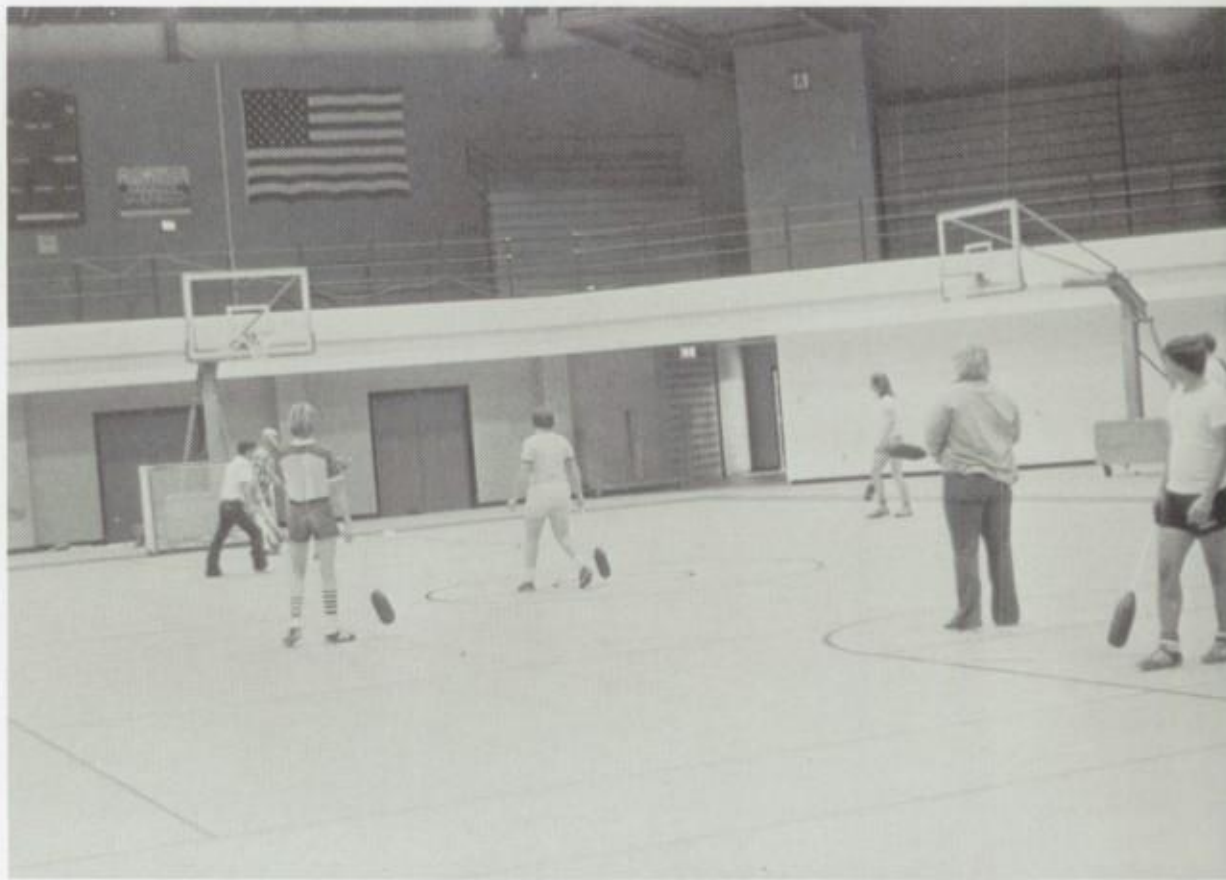

Two areas of our school which most people do not seem to mind attending are the gym and the cafeteria.

Many people enjoy taking out the frustrations of their other classes in the various physical activities.

Lunchtime is a period that almost everybody welcomes, even though they often complain about the food. With the addition of the snack bar last year, students and faculty enjoy a big variety of food at minimum prices.

ONE of the gym classes demonstrates the art of pillow polo.

SEVERAL Accounting students try to figure out what in the world they are doing.

THREE odd looking artist work on making new masks for themselves. They are Dian Neunschwander, Sondra Herman, and Ken Chaffins.

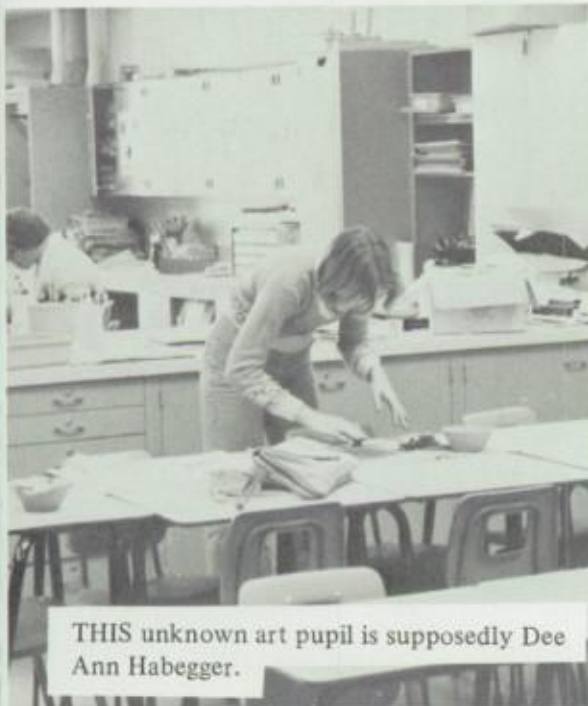

ART & BUSINESS

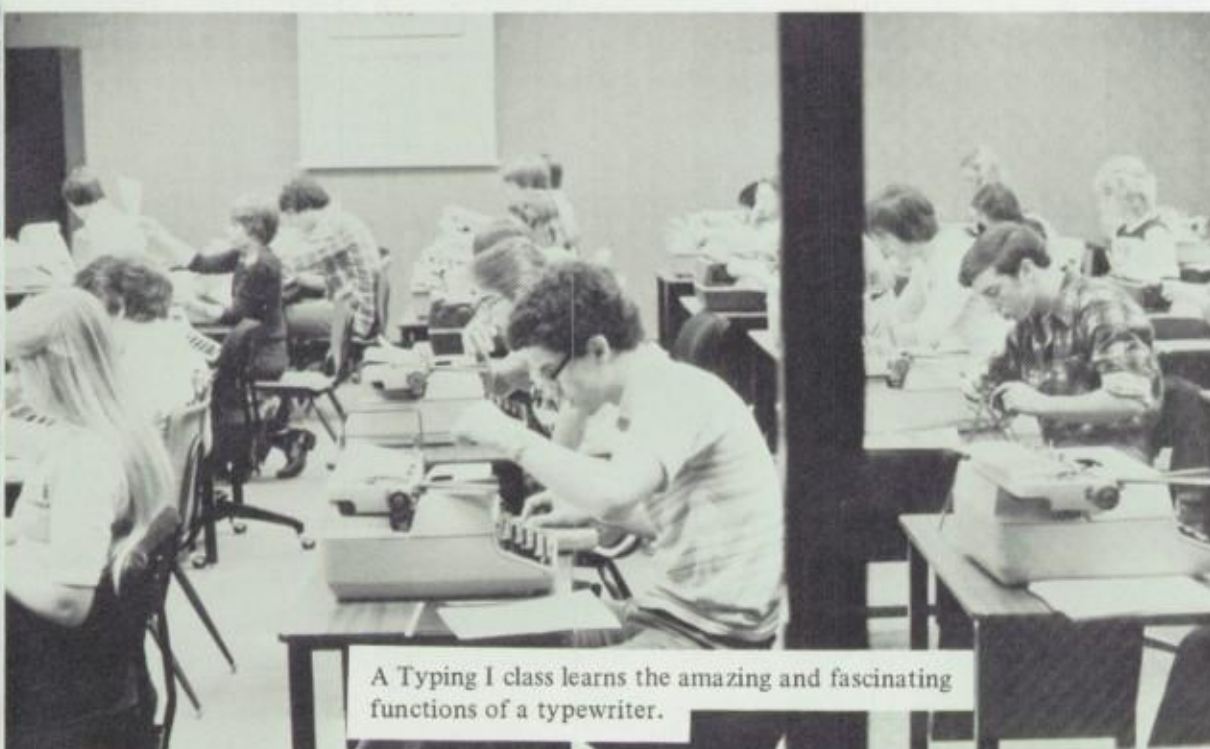

TWO other departments of our school which do not receive as much recognition as others but do aid in the development of the student are the art and business areas.

Teaching the students knowledgeable facts about accounting, consumer economics, business law, general business, and typing are Mrs. Rhoades, Mr. Miller, and Mrs. Weimer. Mrs. Arlene Clark filled in for Mrs. Weimer when she was ill. Mrs. Rhoades also taught a night class in shorthand. Numerous accounting students were fortunate enough to have their year extended into the summer in an effort to finish their packets.

Mrs. Johnson and Mr. Schwartz teach the art pupils a variety of art. They show them the art of photography, sculpturing, drawing, oil painting, ceramics, and several other odds and ends. The hard work and time that is put into these works is not wasted as the artists display their masterpieces at the Pops Concert. There are many different and inventive creations and ideas to be learned from these areas.

THIS unknown art pupil is supposedly Dee Ann Habegger.

WHILE Lisa Sprunger helps Ingrid Bieberstein with her typewriter, Don Harrison plays in his chair.

AND the band plays on. . .well, at least some of them.

"NOW, you must keep your class quiet, Mr. Tatman."

IN a vain attempt, Kim Mason tries to peck her way through a new song.

THE last two learning departments of our school are the all essential library and the important music area. Mrs. Linder rules the library with a firm, but kind hand along with help from Miss Rose Teeple, Mrs. Lautzenheiser, and Mrs. Fields. The library is a very important aspect of the students learning because without it, the students would have a difficult time learning and completing many of their assignments. The library provides different types of literature and information that a student needs in order that he may finish an assignment.

Mr. Knoch and Mr. Epp are the leaders of the music department. Composing the music region is the Marching Band, Pep Band, Symphonic, Eighth and Ninth Grade Bands, Orchestra, Chamber Choir, Acapella Choir, Eighth and Ninth Grade Choirs, and various music classes. These organizations provided a wide range of entertainment for many people throughout the course of the year.

THE library proved to be the perfect place for some rest and solitude.

WHENEVER you have a problem, just ask Rose.

THE 1978 edition of the South Adams Starfires football team had an outstanding season, finishing second in the conference with a 4-2 record and a 7-3 record overall.

The team had many exciting and great events occur during the course of the season. The UPI ranked them as high as 8th at one point during the year, and they completed the season at 13th. The team scored 221 points, and they gave up a measly total of 116 in their ten games to rank 2nd and 3rd in the conference respectively. Several members of the team received post-season awards for their excellent achievements. Doug Harris made 2nd team All Conference at end. Todd Steiner made 1st team All N.E.I.A.C. at guard and received Class A All State Honorable Mention by the AP. Richard Rhoades made 1st team All Conference at defensive back and Class A All State in the AP. Jim Hartman made 2nd team All N.E.I.A.C. at quarterback, State Honorable Mention by the UPI, and he received Class A Honorable Mention in the AP. Gino Fisher made 1st team All Conference at running back, received State Honorable Mention in the UPI, and made 1st team Class A All State in the Bloomington Herald. These players were most deserving of these awards.

TENNIS

THE South Adams tennis team had a disappointing season in some aspects; but in others, it was very successful. At the beginning of the year, the team suffered a big letdown when three members of last year's varsity team decided not to go out this year. They were Judd Johnson, Rick Hill, and John Schindler. A bright spot in the season was the strong play of Rex Lautzenheiser and Bobby Sprunger at first doubles. They won the only point for the Stars in the Sectional, and they led the team with an 11-4 record. Rex and Bob were named to the N. E. I. A. C. All-Conference Honorable Mention squad. The team record for the year was 4-11. The reserve team finished at 5-3. Scott Habegger and Kyle Velasco led the team with an 8-0 record. There were several good, young players on the team who should help out next year. In the South Adams Post-Tournament, Doug Sipe, who played first singles for the Stars, defeated Rex Lautzenheiser for the championship. In the doubles, Rex and Bob were crowned champions after defeating Doug Sipe and Mark Neuenschwander.

DETERMINATION shows on Bob's face in a successful doubles match.

CROSS COUNTRY

COACH Grogg instructs senior leader, Mark Lehman, on how to run the race.

THE Cross Country team had a frustrating year this past season. They were hurt by the loss of Lee Flueckiger, who had surgery during the summer, and a late season injury to Don Branstetter. The team sported a 4-10 win, loss record.

There were several high spots during the course of the year. Curtis Bailey, Ed Wheeler, Steve Bauman, and Mark Lehman bettered their best times from last year by more than thirty seconds. Mark also won his second consecutive Adams County Championship, and he placed on the N. E. I. A. C. All-Conference second team. The team finished fourth out of six teams in the Bi-County, and their lowest score was an 18 against Woodlan.

Coach Grogg is hoping for things to improve in the future. He is expecting some strong runners back for next year, and he is planning on trying to get a Junior High program started. If Coach Grogg succeeds in getting such a program started in the lower grades, it should give the kids some valuable experience for their varsity years.

GIRL'S VOLLEYBALL

THE young girls' volleyball team with only three seniors on the squad posted a 2-16 record.

It was mainly a rebuilding year for the girls because of their lack of varsity experience.

With the nucleus of young, strong players from the high school and junior high volleyball teams, the team should be a strong contender in the coming years.

The reserves finished with a 1-7 record. Nancy Sauder won the Mental Attitude award for the varsity, and Becky Dubach won for the reserves. Nancy also made honorable mention in the all N.E.I.A.C. selections.

THE three seniors on the team, Lisa Agler, Nancy Sauder, and Kelly Egly, aided the team throughout the year.

GIRLS' SWIMMING

THE young South Adams girls swim team with no seniors on the squad had a decent year. They posted a 6-5 record, and they finished 5th out of 10 teams in the Sectional.

THE eight-member squad, led by the strong coaching of Coach Dorsch, set many school records throughout the year. Junior Kristy Moser, the oldest member of the team, set records in the 50-Freestyle and 100-Backstroke. Jilaine Lehman broke the old school record in the 500-Free. Janet Van Emon, whom the team selected as their most valuable swimmer, posted school records in the 200-Free, 200-Individual Medley, 100-Butterfly, 100-Free, and the 100-Breaststroke. Kristy, Janet, Tricia Wulliman, and Rhea Ann Sprunger set a school record in the 400-Free Relay. It was a great accomplishment for these hard-working girls.

COACH Dorsch has extremely high expectations for the upcoming season because he will not lose anyone from this unit, and there is a strong nucleus of good swimmers coming from the 8th grade.

RHEA ANN Sprunger finishes her leg of the 400 Free Relay, and Trisha Wulliman starts on her leg of the relay.

STARFIRE GRAPPLERS

ALTHOUGH the wrestling team was 0-10 in their dual meets, the season was not a total disaster. There were many positive happenings on this team as several of the grapplers had good seasons.

Ron "Ferd" Minnich, who was 12-10 on the year, ended his career in strong fashion, finishing first in the sectional and third in the regional. He also placed 5th in the Adams County invitational and 3rd in the Jay County invitational. Cary "Bovee" Herman had a great year, placing first in the Adams County and Jay County invitational, sectional, and regional, 2nd in the Conference, and fourth in the Semi-State enroute to a 22-4 record. Jeff Sprunger had another fine year, compiling a 21-4 record with

first place finishes in the Jay County and the sectional, second in the N.E.I.A.C., 3rd in the Adams County and regional. Matt Werst also had a good year, registering a 20-4 record with firsts in the Adams County and Jay County and the sectional, 2nd in the Conference and 4th in the regional. Freshman Doug Sprunger was 11-9, and he finished 3rd at Jay County and in the sectional, and 4th at Adams Central. Dick Laux placed 4th at the sectional.

The squad as a unit placed 4th in the 8-way invitational at Adams Central, 5th in the Jay County 8-way meet, 7th in the N.E.I.A.C., 3rd at the sectional, and 6th out of 21 at the regional.

THE vastly-improved girls' basketball team finished strong, to end the season with a 7-7 record. After a slow start, the girls began to show excellent teamwork and some outstanding individual efforts. This fine young team rebounded from a disappointing 0-10 record last year and should improve even more next year. However, they will have to do without the talent of senior Kelly Egly. She is the only graduate of the young team as they will have 11 lettermen return-

ing. After losing their first four games, they rounded out the year by impressively winning seven of their last ten starts. The team selected Linda Meyer as their most valuable player, Stacy Hartman as the most competitive player, and the Outstanding Leadership Award went to Kelly Egly. Linda also received All-Conference Honorable Mention recognition.

GYMNASTICS

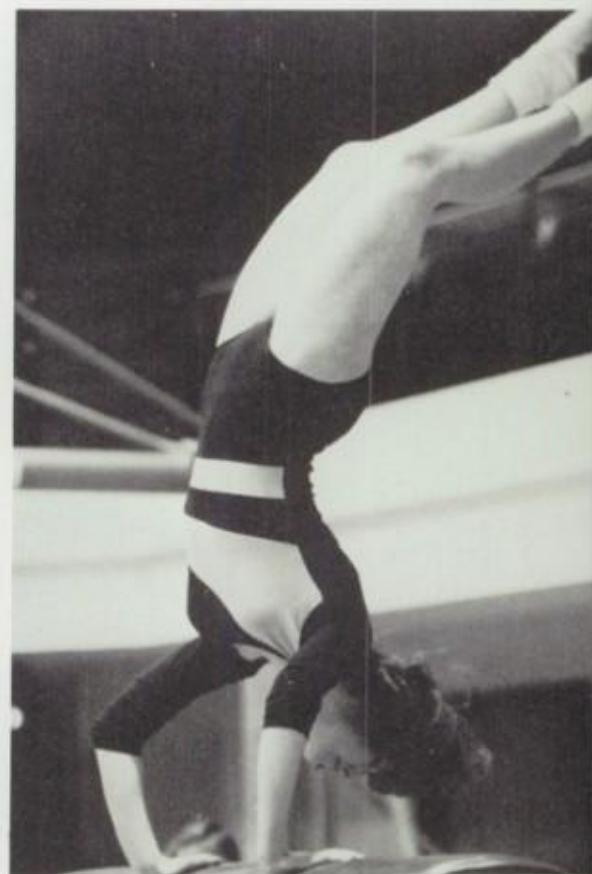

THE extremely young girls gymnastics team under the guidance of Coach Karen Crider finished the season with a fine record of 5-4. The team consisted of four beginners, six intermediates, and three optionals. Several of the girls had very strong individual efforts during the season. Janet Van Emon placed 6th, Gerri Augsburger finished 8th, and Carmen Moser grabbed 10th place in the all around competition in the Sectional. In the Conference meet, Janet Van Emon finished 2nd in the optional floor exercise, and she made 2nd team All N.E.I.A.C. All of the girls did a good job as individuals and as a team, and they hope that next year will be even better as all of the girls will be returning.

SECTIONAL—2nd of 9 teams

STATE—18th of 83 teams

BOYS' SWIMMING

THE boys' swim team, under the superb coaching of Mr. Dorsch, who is considered as one of the best coaches in the state, had a fantastic season.

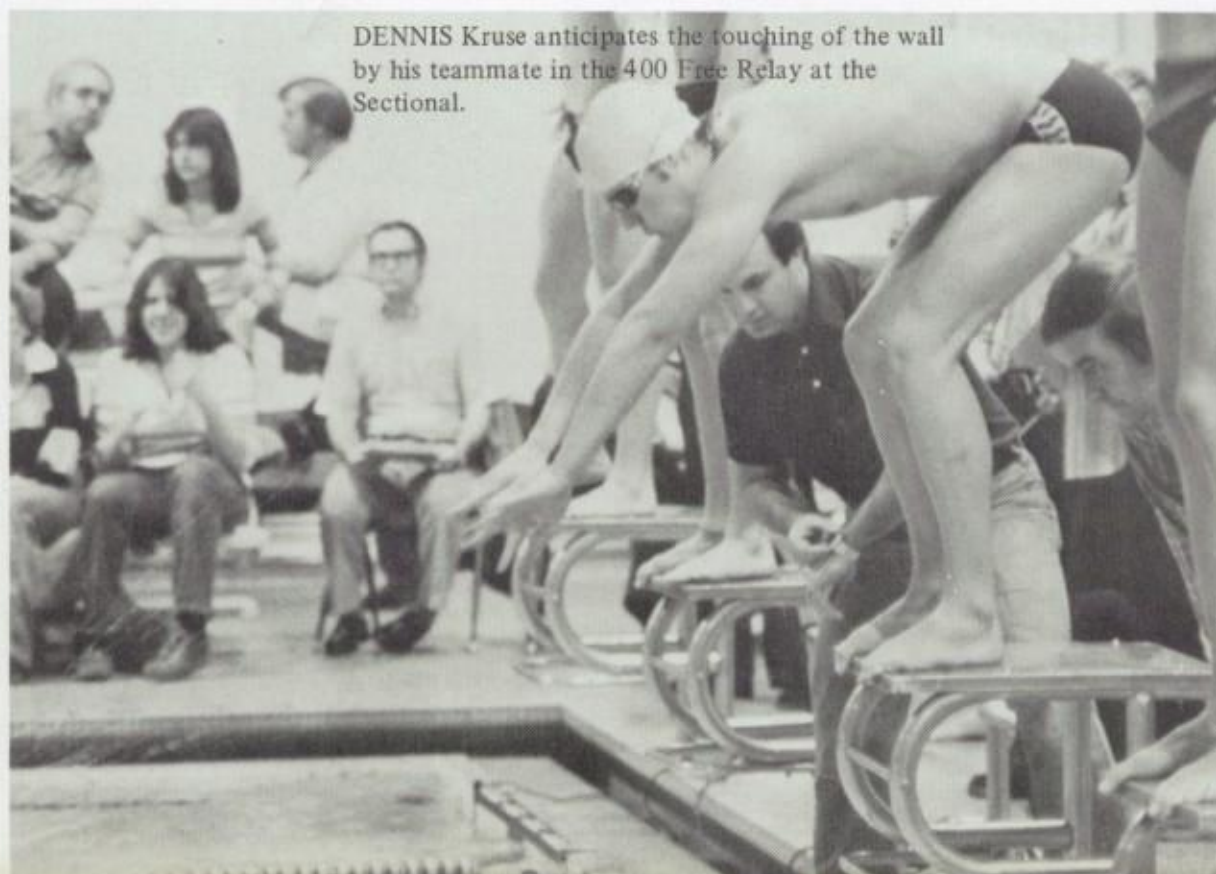

The squad was 6-6-1 in their dual meets which tied a school record for most wins in a season, and they set a school record by winning 107 out of 143 first places for a 75% winning percentage. They placed 2nd out of nine teams in the Sectional, and they tied for 18th at the State meet. The coaches association ranked the Stars number one all season in the Class A state swimming polls and 35th in the final poll including all A, AA, and AAA schools, 150 of them having swimming.

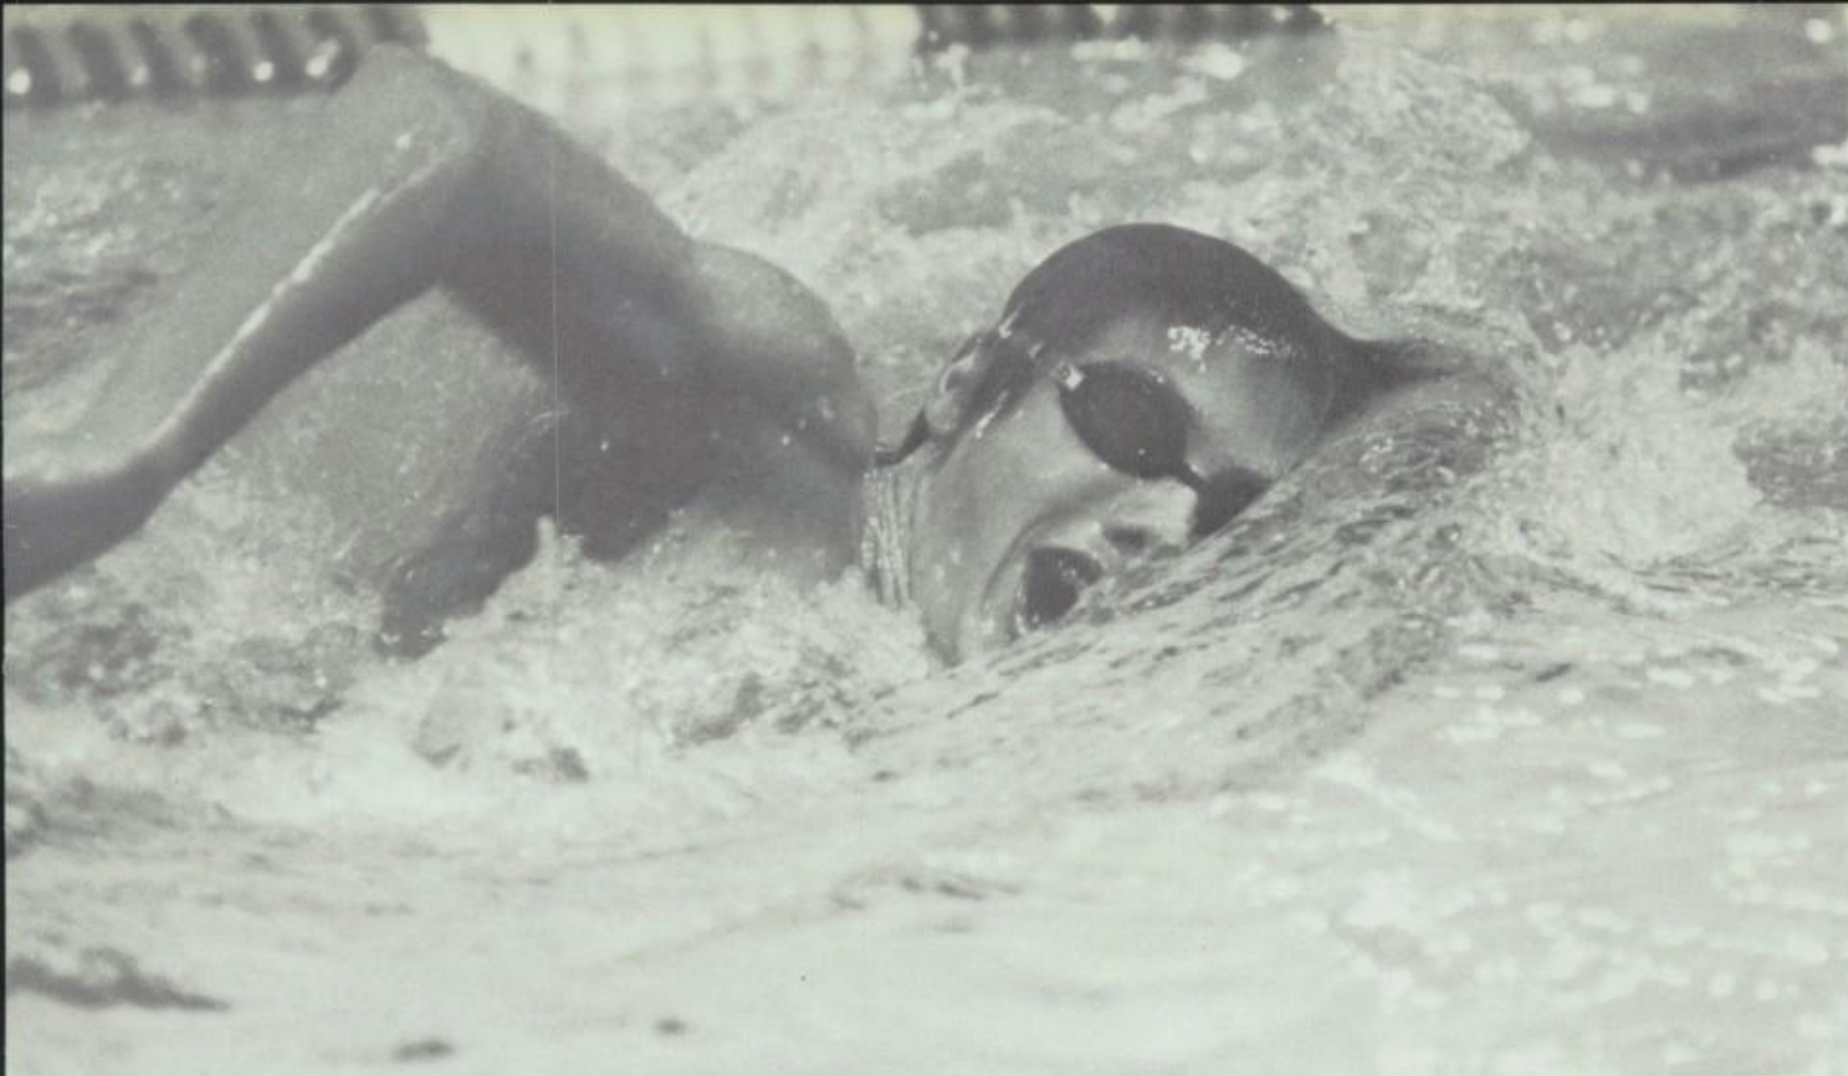

Sectional champions were Dennis Kruse in the 200 and 500-Free; David Kruse in the 500-Free; Daniel Kruse in the 100 Back; and the 400 Free Relay, consisting of David Kruse, Jim Umpleby, Dennis Kruse, and Mitch Simon. All the winning times were new school records except for Daniel Kruse's 100 Back time. However, since he is only a freshman, there will be many more chances for him to break records.

Dennis garnered 3rd places in the 200 and 500 Free at State, with exceptional times in both events. The Free Relay placed 15th out of 36 relays at State, and Dave finished 20th of 48 in the 50 Free at State.

In addition to participants in the state meet, many other swimmers did outstanding work during the season.

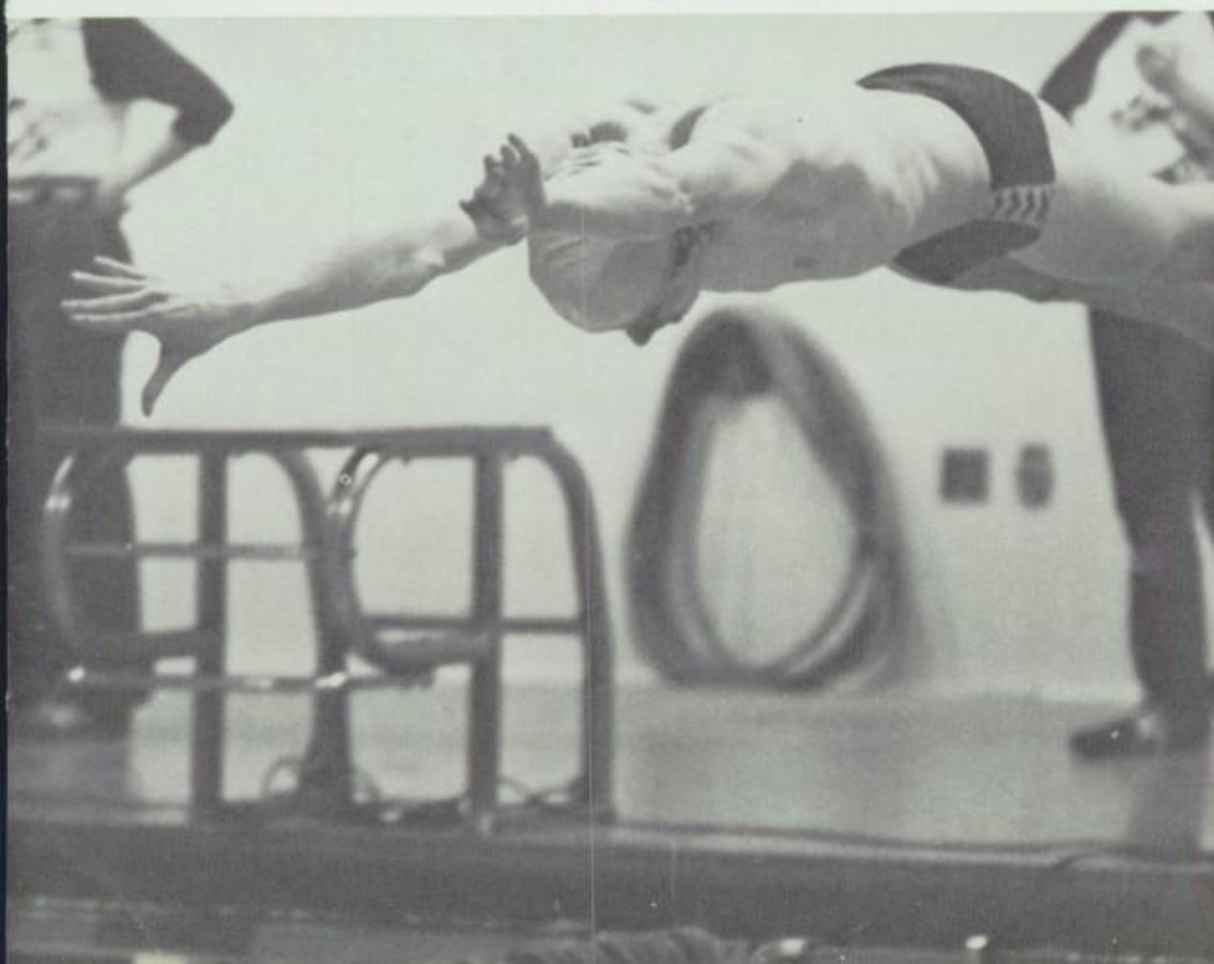

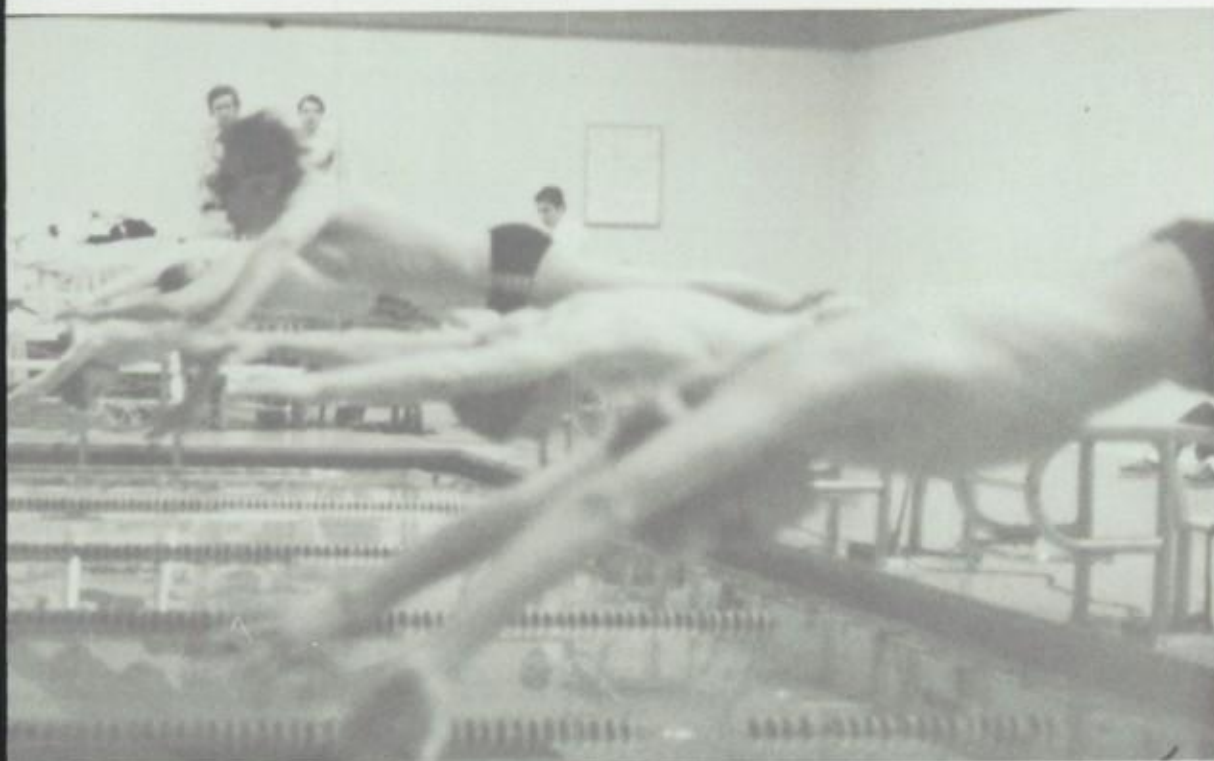

DENNIS Kruse anticipates the touching of the wall by his teammate in the 400 Free Relay at the Sectional.

VARSITY BASKETBALL

VARSITY Basketball members: Dean DeArmond, Rick Hill, Randy Moser, Vaughn Nussbaum, Brian Evans, Jim Hartman, Kelly Caffee, Fausto Bucheli, Coach Hoopingarner, Mike Lehman, Lee Flueckiger, Curt Van Emon, Phil Lehman.

COMPILING a 5-16 record under first year coach Kent Hoopingarner, the Boys' Varsity Basketball team demonstrated many different characteristics.

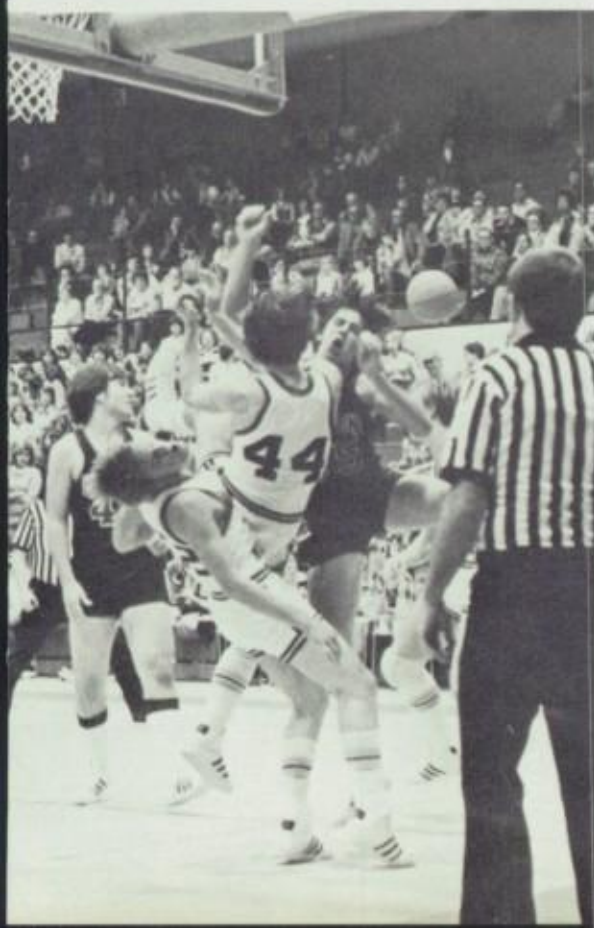

Coach Hoopingarner worked numerous new ideas into the offense and defense which should help future teams immensely as they grow accustomed to it. The team had some difficulty adapting to the strange styles, but they showed signs at various times of putting everything together. They played an aggressive, hustling, and position style of play, scoring on a 55 point clip per game and holding their opponents to a stingy 62 points per contest. The offense was deliberate with running intertwined on occasion, and the defense used a variety of zone defenses.

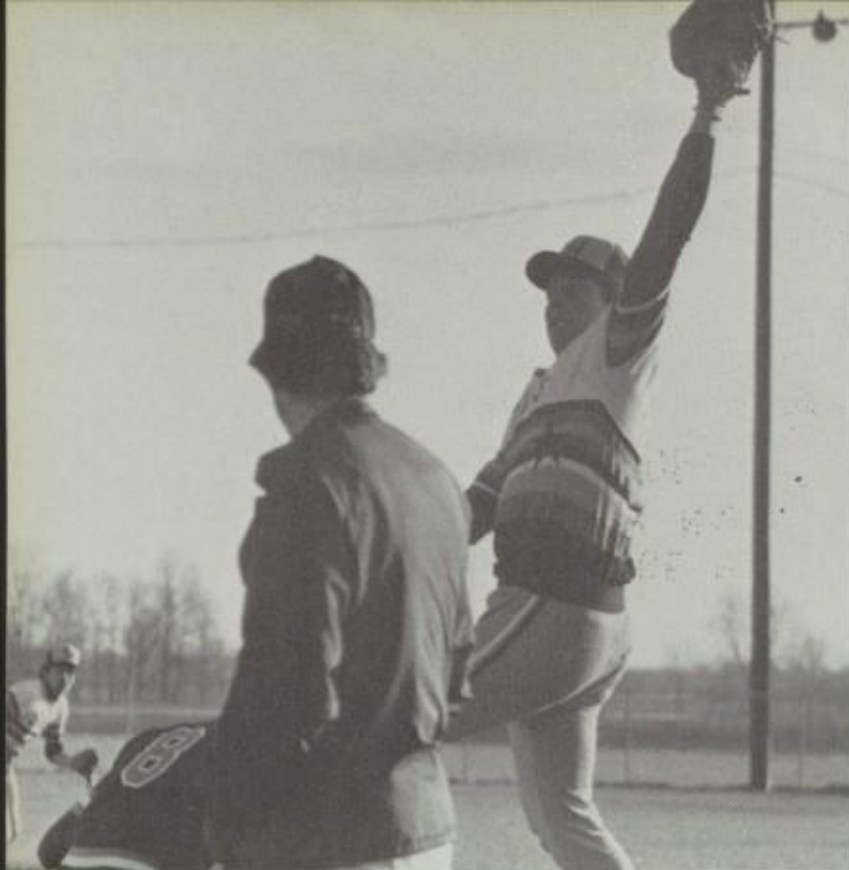

Dean DeArmond, who made 2nd team All-Conference, paced the Stars with a 15.7 scoring average, 47% field goal shooting, and a 8.7 rebounding average. Jim Hartman followed with 12.1 scoring clip, and he made Honorable Mention All N.E.I.A.C. Rick Hill led the team in assists, and he was second in rebounds at 7.6 per game and shooting at 46% from the field. Kelly Caffee was the leading free throw shooter at 70%.

The Starfires will have three returning starters and with the help that is expected from the reserve and freshmen ranks and the hard work and dedication that is put in, it is hoped that the Stars will embark on a winning season under the excellent coaching of Coach Hoopingarner.

NOW you know what they are talking about when they say, "the battle of the boards."

BASEBALL TEAM ENDS AT 9-12

SLUGGER Rick Hill takes a mighty cut at the ball.

The 1979 Baseball Stars ended their season with three losses which brought their record to a close at 9-12. For the players, coaches, and fans it was a disappointing year as many people had felt that the team had the potential and talent to have a fantastic season, but injuries to several players, bad weather at the beginning of the spring, and bad luck hurt their chances. Although the seniors will not be able to avenge the season, there will be a strong nucleus of underclassmen who will hopefully be able to take over and turn the year around. Two of the team's best games came in losing efforts when they lost to state powers Dekalb and Bishop Luers. Two Star players, Todd Steiner and Mike Meyer, made conference Honorable Mention.

BASEBALL team members: Back row—Rocky Farlow, Vaughn Nussbaum, Mike Meyer, Jim Hartman, Kelly Caffee, Mike Lehman, Randy Moser, Brent Whitehurst, Gino Fisher, Todd Steiner, Rick Hill; front row—Fausto Bucheli, Ron Dull, Curt VanEmon, Jeff Turner, Doug Lehman, Greg Rich, Phil Lehman, Mike Dull, Steve Hendricks, and Rex Lautzenheiser.

GIRLS' TENNIS TEAM VOLLEYS FOR THREE VICTORIES

THE girls' tennis team raised their victory total from two the previous year to three this season. Most of the girls improved vastly in several facets of their game, and the team named Becky Dubach as their most improved player. Like several of the other sports, this squad was very young. They will lose only one individual, and she was the team's number one singles player and most valuable member of the team, Nancy Sauder. With the strong nucleus that will be returning next season, Coach Pizarek is anticipating a very productive season.

BOYS' TRACK TEAM CONTINUES TO IMPROVE

THE small, dedicated boys' track team worked extremely hard on their track skills. Guided by Coach Bridge, the guys placed 9th in the Conference meet, 5th in the South Adams Relays, and 4th in the Bi-County meet. Although the squad did not win any of their track meets, they did make their presence known to their opponents. The following boys qualified for the Sectional: Mark Lehman and Steve Bauman in the two-mile and the mile events, Rex Sprunger in the 440, John Courtney in the 330 hurdles, Mark Moore and Jere Johnson in the high jump, and Jere Johnson, Mark Moore, Dick Laux, and John Courtney in the 880-relay. The teams have continued to improve over the last few years, and since they will lose only three individuals, it is hoped that they will continue to improve.

GIRLS ON THE RISE YOUNG GIRLS PUT TOGETHER A STRONG YEAR

THE young, skilled girls' track team turned in numerous outstanding achievements. They finished 8th in the Conference meet, 5th in the Huntington sectional, and they established new school records. Several girls qualified for the Sectional, including freshman Stacy Hartman in the softball throw and in the shot put, in which she finished 6th. Teresa Gerber, the lone senior, placed 6th in the high jump; Linda Dubach won the hurdles for the second consecutive year, and she also won the hurdles in the Conference meet and placed 6th in the Regional. Linda Rich, Lori Gay, Teresa Gerber, and Linda Dubach ran on the 880 relay team which won the Huntington Sectional and finished second in the Conference. The same four girls also ran on the 440 relay team that placed second in the Conference and 5th in the Sectional. With the strong runners from this squad and the talented contingent from the 8th grade team, next year's team should be the strongest ever.

LINKSMEN DRIVE THEIR WAY TO FIVE VICTORIES

LED by their first year coach, Kent Hoopingartner, the golf team recorded a decent 8-8 record. The team was 4-3 at the Wabash Valley Golf Club, and 1-5 on the road. The squad named Bill Brenneman as their Most Valuable Player. Although the team suffered several disappointments, there were numerous bright spots registered by the young men, including an eagle by Mark Neuenschwander on the 6th hole against Huntington North and a season low score of 165 registered at Jay County. The squad will lose only one player via the graduation route with 3 lettermen and several other players who played varsity matches returning. Hopefully the team will be able to improve on their record next season.

JV & FR. FOOTBALL

After having seven games scheduled and only getting to play five because of two forfeits, the Jr. varsity football team went on to post a 2-3 record. This record is rather deceiving considering that in the last two games of the season, the Starfires scored as many touchdowns as their opponent, but their inability to convert their extra points led to their eventual defeat.

With the valuable experience that the sophomores and the few juniors who played this season gained, they should be able to adequately step in and fill the shoes of the thirteen graduating seniors.

FINISHING with a win over Adams Central, the freshmen football team ended with a 4-3 record. The freshmen showed spots of good defense in registering three shut-outs during the course of the year. The high points of the season were the 14-0 victory over Belmont in the rain, and the team giving up a total of only six points in their four victories. What made the victory over Belmont so satisfying was that Belmont had defeated them when they were in the 7th and 8th grade. The experience they gained in these games will aid them in their future Varsity years.

SCOTT Litwiller, hoping for a fine return, waits for his line to form in front of him.

JV. & FR. BASKETBALL

ALTHOUGH the reserve basketball team had a losing season of 3-16, they did illustrate a very competitive nature as they lost 9 of their games by 5 points or less. The final outcome of many of their games was not decided until the closing seconds. Brent Bixler, Judd Johnson, and Fausto Bucheli led the team in scoring with an average of nearly 7 points a game. Brian Evans and Vaughn Nussbaum led the squad in rebounding, and Phil Lehman led in assists.

THE freshman A and B basketball teams finished the season with 4-11 and 1-10 respectively. It was a disappointing season for the young men as there were several injuries to many key personnel. Jere Johnson won scoring honors with a 11.1 average. Steve Hendricks led the team in rebounding, and Mark Flueckiger won the assist contest. With three years of high school left, it is certain that many of these players should blend well into the Starfire basketball system.

BASEBALL AND BASKETBALL SECTIONALS

THE Starfire Baseball team did not fare too well in the Bellmont Sectional. Bellmont, who went on to win the berth to the Regional, defeated the Stars by a score of 6-2. Although the Braves only out-hit the Stars 6-4, they were aided by three costly Starfire errors and nine free passes. The game was extremely close at 1-0 after four innings when Bellmont erupted for four runs in the fifth inning on four walks, two errors, and one hit. The Stars were also hurt by their inability to get the clutch hit as they stranded twelve runners.

THE Starfires played their best games in the Sectional, defeating Adams Central 80-60, and losing to Bellmont 68-60 in the championship game. It was a total team effort that defeated the Jets as all five starters scored in double figures. The Stars played their hearts out against Bellmont, and they led by seven points at the end of the third quarter, but poor free throw shooting throughout the game and hot shooting by Bellmont at the beginning of the fourth quarter proved fatal for the Stars. It was a great showing by the squad, and it gave many fans, players, and coaches hope for the 79-80 season.

A REVIEW OF OUR ACTIVITIES

THE freshman cheerleaders show their form.

SPIRIT RAISERS

THE four cheerleading squads did numerous deeds for the players and the school. The girls made signs which they hung in the halls at school, they baked items for the players at various times during the year, they held and organized several pep sessions, and they raised the spirit of the crowds at the football and basketball games. Everyone appreciates the time, work, and dedication that the cheerleaders put forth throughout the year. Most of the girls will be back to try out next year, but two stellar performers, Sondra Herman and Lori Steiner, will be sorely missed.

MARCHING BAND

Demonstrating the talented instructions of their director Mr. Gene Knoch, the Marching Band gave many skilled performances at various parades and activities in the area. The band received many awards from the events that they participated in, with the icing being put on the cake when they walked off with first place honors at the Bluffton Street Fair. The band also entertained the hundreds of football fans at each and every football game with superior pre-game and half-time shows being performed. Drum majors, Kevin Knoch and Doug Lunn ably assisted Mr. Knoch in his endeavors. What made this past year a success was the hard work and devotion of the bandmen. During the summer they practiced in the morning 2-3 times a week, and during the first nine weeks of the school year, they practiced during Activity period and several times before school began.

The annual Marching Band banquet was held on November 6th. A delicious meal catered by the Palmer House originated the festivities, followed by the presenting of a gift to Mr. Knoch from the band, the awarding of yearly honors to the band members, and the program was completed with an enjoyable program presented by Mr. Pete Carlson.

UNDER the skilled leadership of Miss Andrews, the Marching Band Auxiliary units amused huge throngs of people with their dazzling arrangements. They performed with the Marching Band during the summer, at football games, and in the annual fall parades. The flags, rifles, and pom pons also presented delightful pre-game and exciting half-time shows at many of the basketball games. The units exhibited their talent by adding a beautiful dimension to the character of the Marching Band. Captains of the individual squads were Tami Amstutz and Rhonda Brewster, co-captains of the pom pons, Lorna Liechty, captain of the flags, Margaret Towell, captain of the rifles, and Tami Laux, captain of the twirlers.

BANDS, CHOIRS & ORCHESTRA

MR. Knoch is the band and orchestra director at South Adams, and Mr. Epp directs the choirs.

THE bands, choirs, and orchestra, under the fine leadership of Mr. Knoch and Mr. Epp, displayed a masterful talent in their musical exhibitions. They entertained hundreds of people with their beautiful musical ability in the concerts that they participated at during the year.

Along with the many concerts that the bands and choirs performed at, the chamber choir played for various civic groups, senior citizens organizations, and numerous churches, throughout the area, including one in Ft. Wayne. Members of many of the bands played Christmas songs at different stores and establishments in the area on the first day of Christmas vacation.

The bands and choirs also won numerous awards at local and state contests, and there were also many solo and ensemble winners at the contests.

Mr. Knoch and Mr. Epp organized a talented orchestra that played all of the music for the high school musical "Annie Get Your Gun." Mr. Epp arranged a swing choir routine for the chamber choir, which they performed at the Pops Concert. We would like to express our appreciation to these groups for their outstanding efforts and accomplishments and wish them continued success in future endeavors.

THE pep club and pep band were two organizations that backed the Starfires with their enthusiasm and spirit.

The pep club was a big aid, cheering the Stars on both at home and away. Karen Crider sponsored the pep club, along with help from the cheerleaders and the representatives from grades eight through twelve.

The pep band, under the firm guidance of Mr. Gene Knoch, supported the team with their voices, and they also provided musical entertainment for the many fans during time-outs and intermissions. They played music for the auxiliary corps routines, and they supplied entertainment at pep sessions and numerous extra-curricular activities.

We would like to thank these people for their hard work, dedication, and for following and supporting the Stars.

THE girls in the pep club get excited by holding onto each other's shoulders.

A VERY BUSY GROUP

THE FFA involved themselves in a variety of activities. A group of members, Roy Liechty, Van Sprunger, Alan Paul, Lynn Hawbaker, Jeff Lehman, Scott Miller, Roger Patch, Mark Lehman, Ben Noonan, and Tracy Toland planted and harvested 35 acres of corn and soybeans in the crop project. Alan Paul, Van Sprunger, Jeff Lehman, and Jan Bauman attended the State FFA convention at Purdue. Alan, Van, Brian Dubach, Scott Miller, Todd Brown, Jeff Gaskill, and Jan Bauman and her parents journeyed to Kansas City for the National FFA convention. Chris Betz, Phil Vorhees, Don Harrison, and Jeff Miller participated in the Soil judging contest, and Lynn Hawbaker, Roger Patch, Jan Balsiger, and Ben Noonan took part in the Livestock competition at Purdue.

Other accomplishments were registered by several individuals. Lynn Hawbaker received a 2nd place for the Chapter Scrapbook that will be in competition at the State convention at Purdue, and he received a 2nd place in the Crop Proficiency Award area. A Chapter Exhibit, built by Phil Vorhees and Brian Switzer placed 3rd. Tony Herman said the FFA Creed, and he garnered a 3rd place. Jeff Buckner placed 4th in the Public Speaking area. Jeff Lehman received a 4th place in Swine Proficiency. Miss Jan Bauman, FFA Sweetheart in 1978, won District, State, and she ranked in the top five in the American Royal Contest. Miss Lori Steiner won the district VI FFA Sweetheart contest. She will be competing for Jan Bauman's title as State FFA Sweetheart at the State convention.

The FFA held their parent and member banquet in April. State FFA President, Wayne Jacobs and Dr. Bill Farris of Purdue were the guest speakers. The Star Award Winners were Van Sprunger, Star Chapter Farmer, Alan Paul, Dekalb Award Winner, and Jeff Buckner, Star Green Hand. Office holders were Lynn Hawbaker, President, Jeff Lehman, Vice President, Troy Lehman, Secretary, Jeff Miller Treasurer, John Fox, Reporter, and Jeff Gaskill, Sentinel.

DRAMA CLUB PUTS ON A HIT PRODUCTION

THE DIARY OF ANNE FRANK

MISS Kathy Reinhard receives a kiss from Matt Lehman.

DID someone call the Doctor?

THERE seems to be some sort of misunderstanding here.

INSTEAD of sticking her foot in her mouth, Kathy sticks it in a pan.

HEY, that's not Kool-Aid!

THE Drama Club presented a beautiful rendition of the "Diary of Anne Frank" in November. Mrs. Melissa Beitler, director of the production, did a credible job of organizing the play and guiding the members of the cast. The crew members, performers, and director spent endless hours practicing in order to make the show a success. This practicing and dedication payed them dividends in the end as they put on a talented exhibition. The students, who were the "stars", displayed a seasoned talent which helped in getting the show off the ground. It was a total united effort with the members of the cast and crew working together beautifully.

I'LL drink to that.

THE Monday morning blues have struck again.

WHEN Jim Umpleby speaks, people listen.

KED Cottrell, who played the main male character Frank Butler, is joined in a scene by Kirk Gould, Jim Umpleby, John Knoch, and Tom Litchenberger.

STUDENTS DISPLAY WONDERFUL TALENT

"ANNIE GET YOUR GUN" — LOVED BY ALL

ON March 29-31, the music department presented the musical, ANNIE GET YOUR GUN. The presentation was a tremendous success as the student actors enhanced the large crowds with their talented rendition of this famous musical. Guided by the skilled leadership of director Mrs. Peggy Maloney, the cast performed and sang as if they were veteran performers.

A big thanks for the success of the show goes to Mrs. Peggy Maloney and her staff of aides, Mr. Gene Knoch and the hard working stage crew who did an outstanding job of arranging the sets between scenes and acts, Mr. Garrett Epp and the orchestra who added the beautiful music for the musical, Mr. Tom Agler and the light and sound crew who did a superb job in this department, and to the gifted performers who turned in several not to be forgotten performances. The music department changed the format from the usual two nights to three night presentation. The two senior leads, Ked Cottrell and Lori Steiner, performed on Thursday and Saturday night and juniors Brad Hart and Sarah Sprunger did the Friday night show.

ANNIE Oakley shows off her shooting and her four brothers and sisters.

THE camera catches Annie singing a beautiful song.

MUSICIANS THRILL CROWD

EVENING AT THE POPS

THE eighth and ninth grade bands and choirs, the Orchestra, the Symphonic band, the A Cappella choir, the Chamber choir, and several solos, duets, and ensembles delighted the large throng of people attending the Pops Concert. All of the performers did an outstanding job on their various selections. The art students and Mrs. Johnson displayed their amazing works of art for the people to view during the course of the evening. Also contributing to the success of the program were the delicious snack foods which were served by several seventh grade couples.

Lori Steiner, Gretta Lehman, Robin Moore, Doug Lunn, Tonia Amstutz, and Cathy Sprunger won the coveted music awards which the music department presents. It was a joyous and entertaining evening for all of the people involved, and it again ended the music season in a strong fashion.

GRETТА Lehman, Doug Lunn, Cathy Sprunger, Tonia Amstutz, Lori Steiner, and Robin Moore won the individual music awards.

NEWSPAPER AND YEARBOOK STAFF

THE newspaper and yearbook staff, under the watchful and helpful eyes of Mrs. Neuenschwander, worked extremely hard on their endeavors.

The newspaper staff, which is led by co-editors Cathy Sprunger and Joan Schwartz, attempted to publish a paper every two to three weeks, but due to a lack of news, their efforts were sometimes hampered. The newspaper improved during the year with many new ideas being introduced.

Co-editors, Bill Brenneman, and Dean DeArmond, manufactured the 224-page yearbook with a tremendous amount of help coming from the staff. Several members of the staff worked every time they had a few minutes to spare in the school day.

THE hard-working, dedicated people work on stamping and indexing pictures.

CARNIVAL

The Music Boosters held their annual Fish and Tenderloin Fry and Carnival on Friday, April 6. They held the carnival to help raise money for the various needs of the music department. Hundreds of people ventured out to the festivities, which included a huge number of activities. A few of the big attractions were the ring toss, water balloon throw, basketball toss, and bingo. There was also an auction after the carnival which offered many beautiful items.

It was an enjoyable evening for the many people, with the various attractions catching the attention of everybody from infancy to adults.

ISN'T that an odd way of shooting a basketball, Tim?

The auction attracted huge groups of people.

THE most popular game at the carnival is the ring toss for cokes.

CLASS OF "79"

The class of '79 was an interesting and different type of class. Like most classes, they had their several groups, but, as we noticed, most of the students got along well. Many of the students achieved great accomplishments. The senior football players rebounded from their frustrating early years to reach eventual excellence in their final two years. The number of basketball players decreased each year, but the four who did stick it out displayed a hard-working and talented type of play. The Senior Starfires also produced several other outstanding feats with super individual efforts being made in cross country, volleyball, boys' swimming, boys' tennis, girls' tennis, baseball, track, golf, and wrestling.

They also produced many strong performances in the music area. They gained recognition in dramas, musicals, local and state contests, and other musical activities in the area.

The class also had one student, John Schindler, who finished his required work in three years and attended college at Wabash this year. The Elks Club named various students Teenager of the Month.

Overall, the class was a unique and fine group who through high and low times stood together until the end.

ALL OUR CHILDREN

WE have tried to show you, the reader, the serious and also the carefree sides of many of our students at South Adams. We even showed you how some of the students in the senior class have changed in looks and styles over the years.

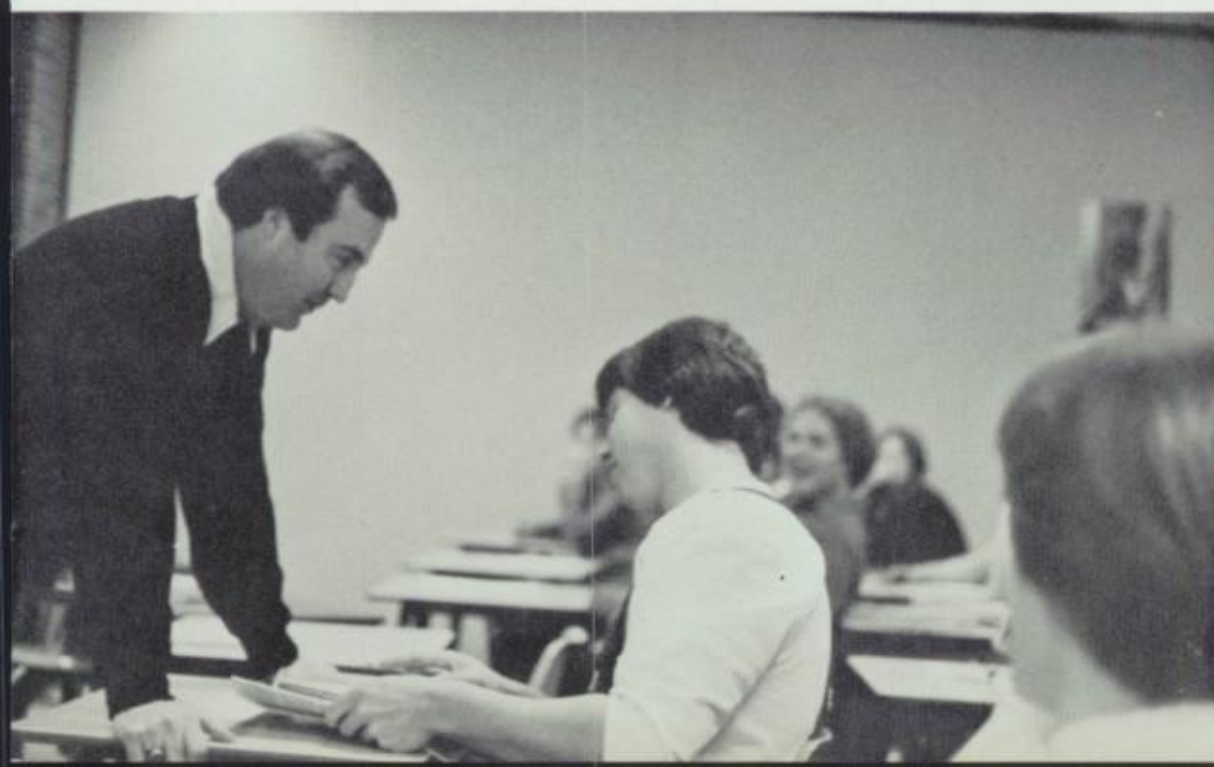

ALTHOUGH school is designed for the person to learn and gain an education, there are times when they have to do

something crazy to break up the monotony of a day or week.

THESE sophisticated and crazy people are your children, and who knows, maybe someday one of them will end up being the president of our country. We would like to thank the parents for giving us these super people.

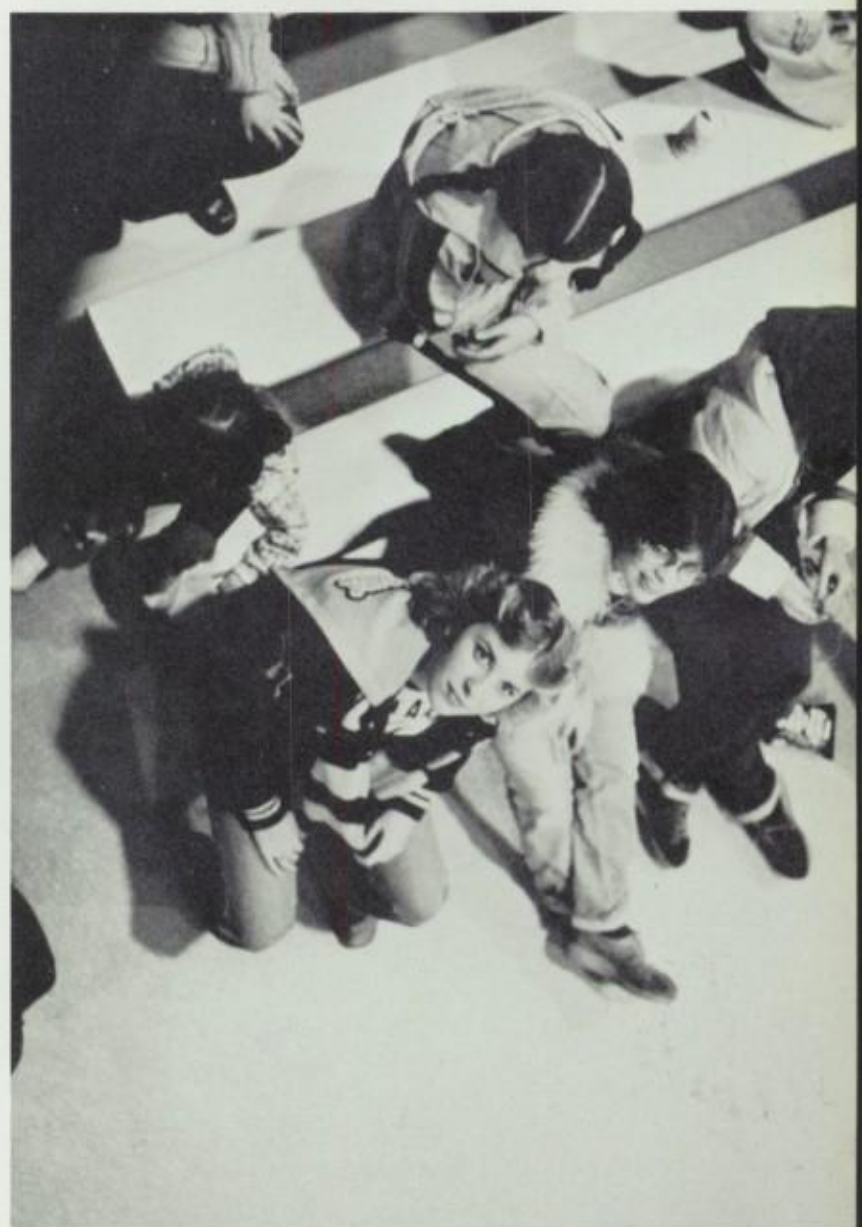

SEVERAL freshmen girls discuss the day's events up till then.

MISS Lorna Liechty and Cari Baumgartner do not seem to agree with what Mr. Anderson is saying, while Sheila Nevil and Tari Hendricks find it amusing.

SOMETHING or someone has caught the intense and dazed look of Alison Minch.

6TH, 7TH, AND 8TH GRADE ORGANIZATIONS

ON the next six pages, we will show the various groups and organizations of the sixth, seventh, and eighth grades. These various functions are extremely important for the participants because it teaches them competitiveness and togetherness which will benefit them immensely when they reach the high school age. It also aids the coaches and directors because the students have learned many of the fundamentals in their respective areas. Hopefully, they will use this talent and knowledge that they have planted and they will fertilize it in the upcoming years in order to become hard-working, competent, and successful individuals. We would like to express our appreciation to the numerous people who take their valuable time in order to make all of these functions possible. Mrs. Bailey and Miss Palmer coached the 7th and 8th grade volleyball teams; Miss Sue Herman guided the 7th and 8th grade girls' basketball teams; Mrs. Maloney directed the 6th and 7th grade bands and choirs; Mr. Neuenschwander led the 6th and 7th grade student council; Mr. Spade instructed the safety patrol; Mr. Stucky coached the 7th grade boys' and girls' track and the 7th grade basketball; and Mr. Tatman coached the 7th and 8th grade football team and the Jr. High wrestling squad.

LONELY Gary sweeps the gym floor.

THESE wonderful people are the high school cooks and custodians, and the all school bus drivers and maintenance men. They do a wide range of jobs for the benefit of other people. The maintenance men repair any item that is repairable, and they also keep the buses and other articles in working condition. The bus drivers, like the mail carriers, travel through almost anything. They skillfully maneuver their vehicles through narrow ice covered roads unless it is totally impossible for them to engineer their buses safely. The cooks work extremely hard preparing delicious meals for the faculty and students. The custodians do a number of jobs ranging from preparing the school for the next day's classes to readying the football field and basketball court for upcoming sporting events, not to mention all of their other duties. Mr. Gary Habegger also helped clear off the parking lots and sidewalks after our numerous big snow falls. We appreciate all of the hard work and time that you people put in, in order that the school may function correctly and smoothly.

STUDENT COUNCIL

THE Student Council, under the strong guidance of their president, Rex Lautzenheiser, did many things for the students and teachers. They arranged convos to break the monotony of the endless weeks of work, they had a variety of contests and competitions for the students, they held many dances, and they prepared a breakfast for the teachers. Mrs. Merkel and Mr. Hazen offered precious advice when it was needed.

The Student Council met at various times during the day to make these events possible. We would like to thank them for their efforts and accomplishments at making life at school a little more exciting.

JUNIOR Student Council members: Kim Mason, Ron Dull, Curt Van Emon, Lee Flueckiger, Cheryl Lehman, Debbie Yoder.

A VITAL PART OF THE SYSTEM

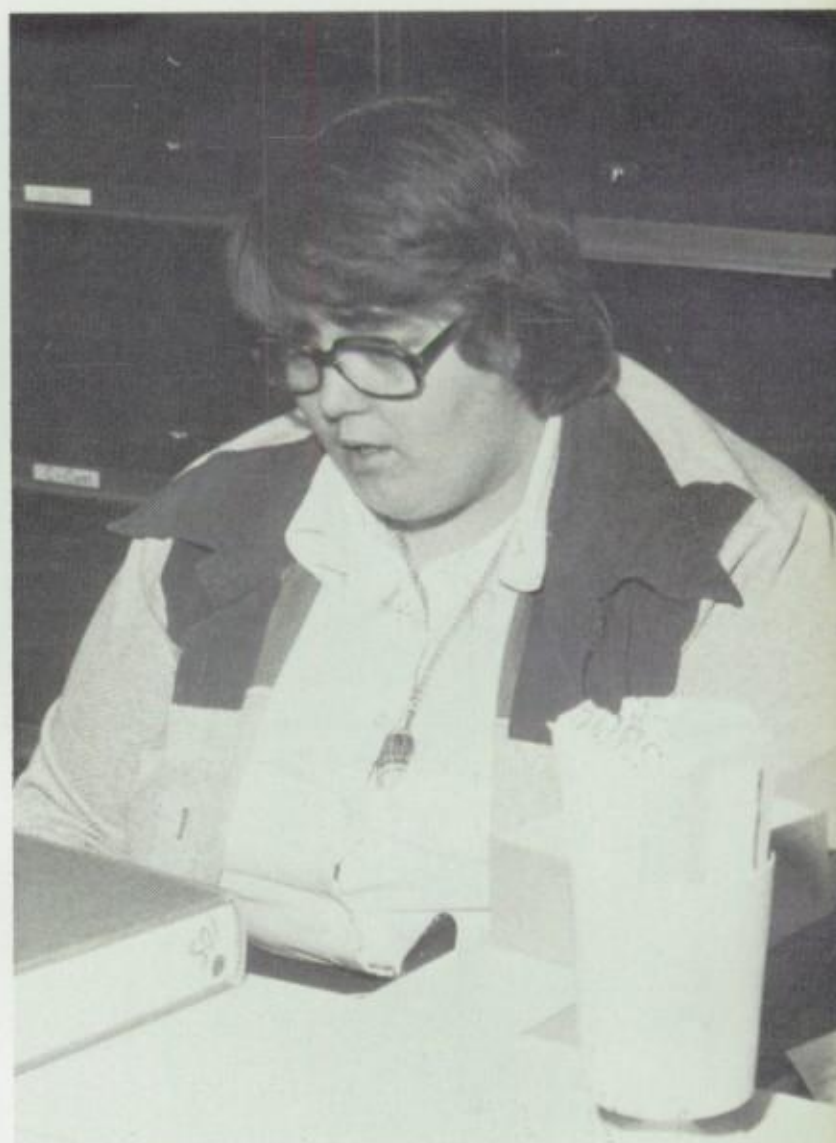

THE various people shown on these two pages do a creditable job for the school. All of these people do a fantastic job of assisting personnel and students. They do a wide variety of jobs, ranging from grading papers, filing tests, answering some questions for students, watching classes occasionally, and doing odds and ends in the IMC and in other parts of the school. We would like to express our appreciation and gratitude for the strong work that these helpful and dedicated people do.

STUDENT & CADET TEACHERS

THE Cadet and Student teachers were important functions of the schools in our school system. The nine Cadet teachers participated with various classes at the Berne Elementary. They helped the different teachers by grading tests, answering children's questions, and sometimes they took over the class. It is an outstanding learning period for the girls as they learned several teaching techniques, and they learned to work with younger children.

The high school was fortunate to have four Student teachers take their training here. The four new people, Miss Palmer, Miss Miller, Miss Foltz, and Mr. Burke, did a superb job in their respective areas. Miss Palmer and Miss Miller worked in the physical education area, and they helped coach the jr. high and high school volleyball teams. Miss Foltz took her training in the science department under our Biology teacher Mr. Mertz. Mr. Burke, under the watchful eyes of Mr. Knoch and Mr. Epp, worked with the numerous bands, choirs, and music classes. He also directed the band and choir in a few numbers in the pops concert, and he arranged for a Brass Sextet to perform at several recitals in Muncie.

SUNSHINE Express' lead singer dances with Teresa Fravel before a captive audience.

ONE of the more exciting moments during the WMEE game was provided by the agile boy cheerleaders.

TODD Steiner looking for Connie Benson of WMEE,

SUNSHINE Express, Jungle Larry, and the WMEE-Faculty basketball game were three special events that the school and athletic boosters sponsored for the students and townspeople.

Sunshine Express is a nine member Christian singing group that sings a variety of music and involves the students and teachers in their presentation. Numerous people enjoyed their program and hopefully they will be able to make a return engagement in the near future.

Jungle Larry entertained the people of the area with an exciting and interesting display of his reptile collection. He had a variety of reptiles, including several snakes, tarantulas, and alligators.

For the second consecutive year, the WMEE roundballers invaded Starfire country, and for the second straight year they fell to the mighty Faculty-Stars in overtime. Using superb rebounding and superior inside and outside shooting, the Faculty handed the athletes from WMEE another heartbreaking defeat. These extra activities are greatly appreciated by all people, and we would like to express our gratitude to the people who schedule these events.

JOHN David Spangler, "Who me?!"

WITH help from his daughter, "Jungle Larry" holds up one of his reptile friends.

GETTING the crowd rowdy was the lead singer of Sunshine Express.

SINCE we, the seniors, will be gone next year, we will have to relinquish our reign at the high school, and we will also have to find someone to replace us in carrying on the fine South Adams tradition at the high school and in the community. For this taxing responsibility we will be looking for a group of people who are responsible, level-headed, enjoy having a good time, will drive the teachers crazy, and will continue to produce good athletic teams, talented musicians, and skilled people in the various other departments in order that people throughout the state will recognize our name as South Adams and not South Bend Adams. The burdensome duty of fulfilling these responsibilities falls upon the shoulders of the first graduating class of the new decade, the class of "80." Whereas we were the last graduating class of the 70's, you will have the distinction of being the first graduating class of the 80's. This means that you will have to set an example for the remaining nine graduating classes of the 80's. Because of this responsibility, we, the class of "79" are challenging the class of "80" to make a good name for themselves and carry on the strong tradition of South Adams High School.

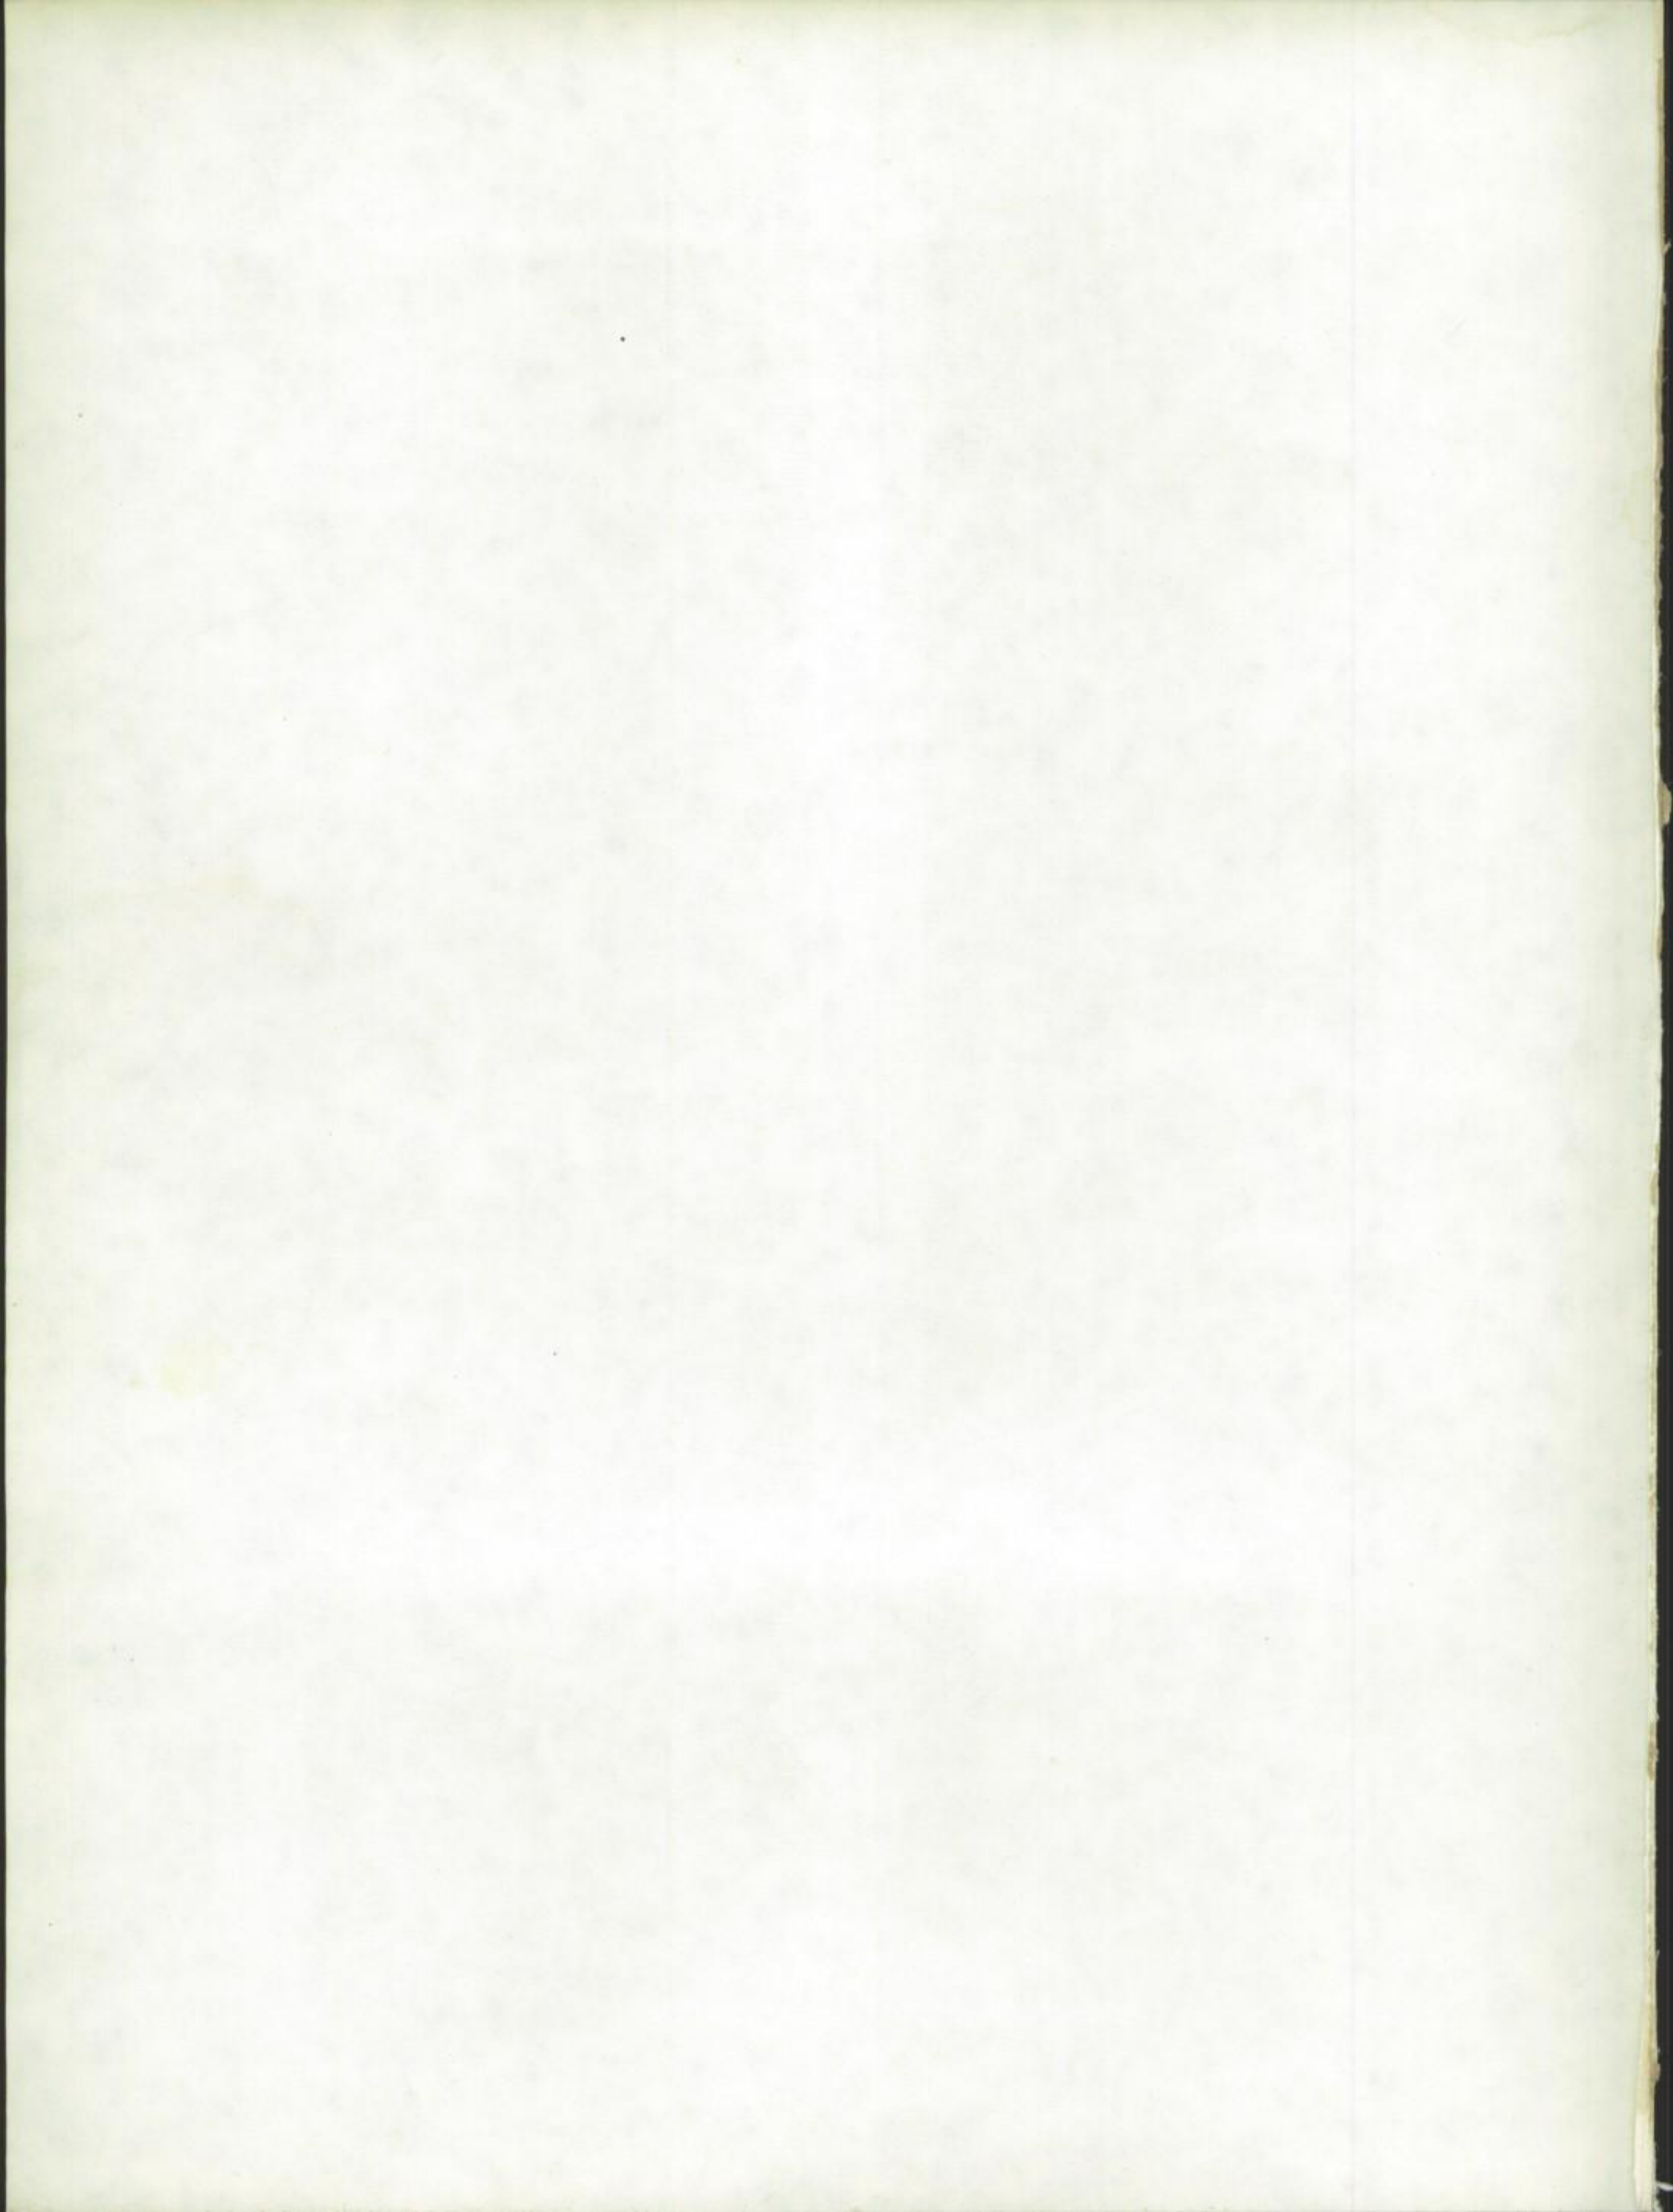

BUT THE BEGINNING OF A NEW DECADE

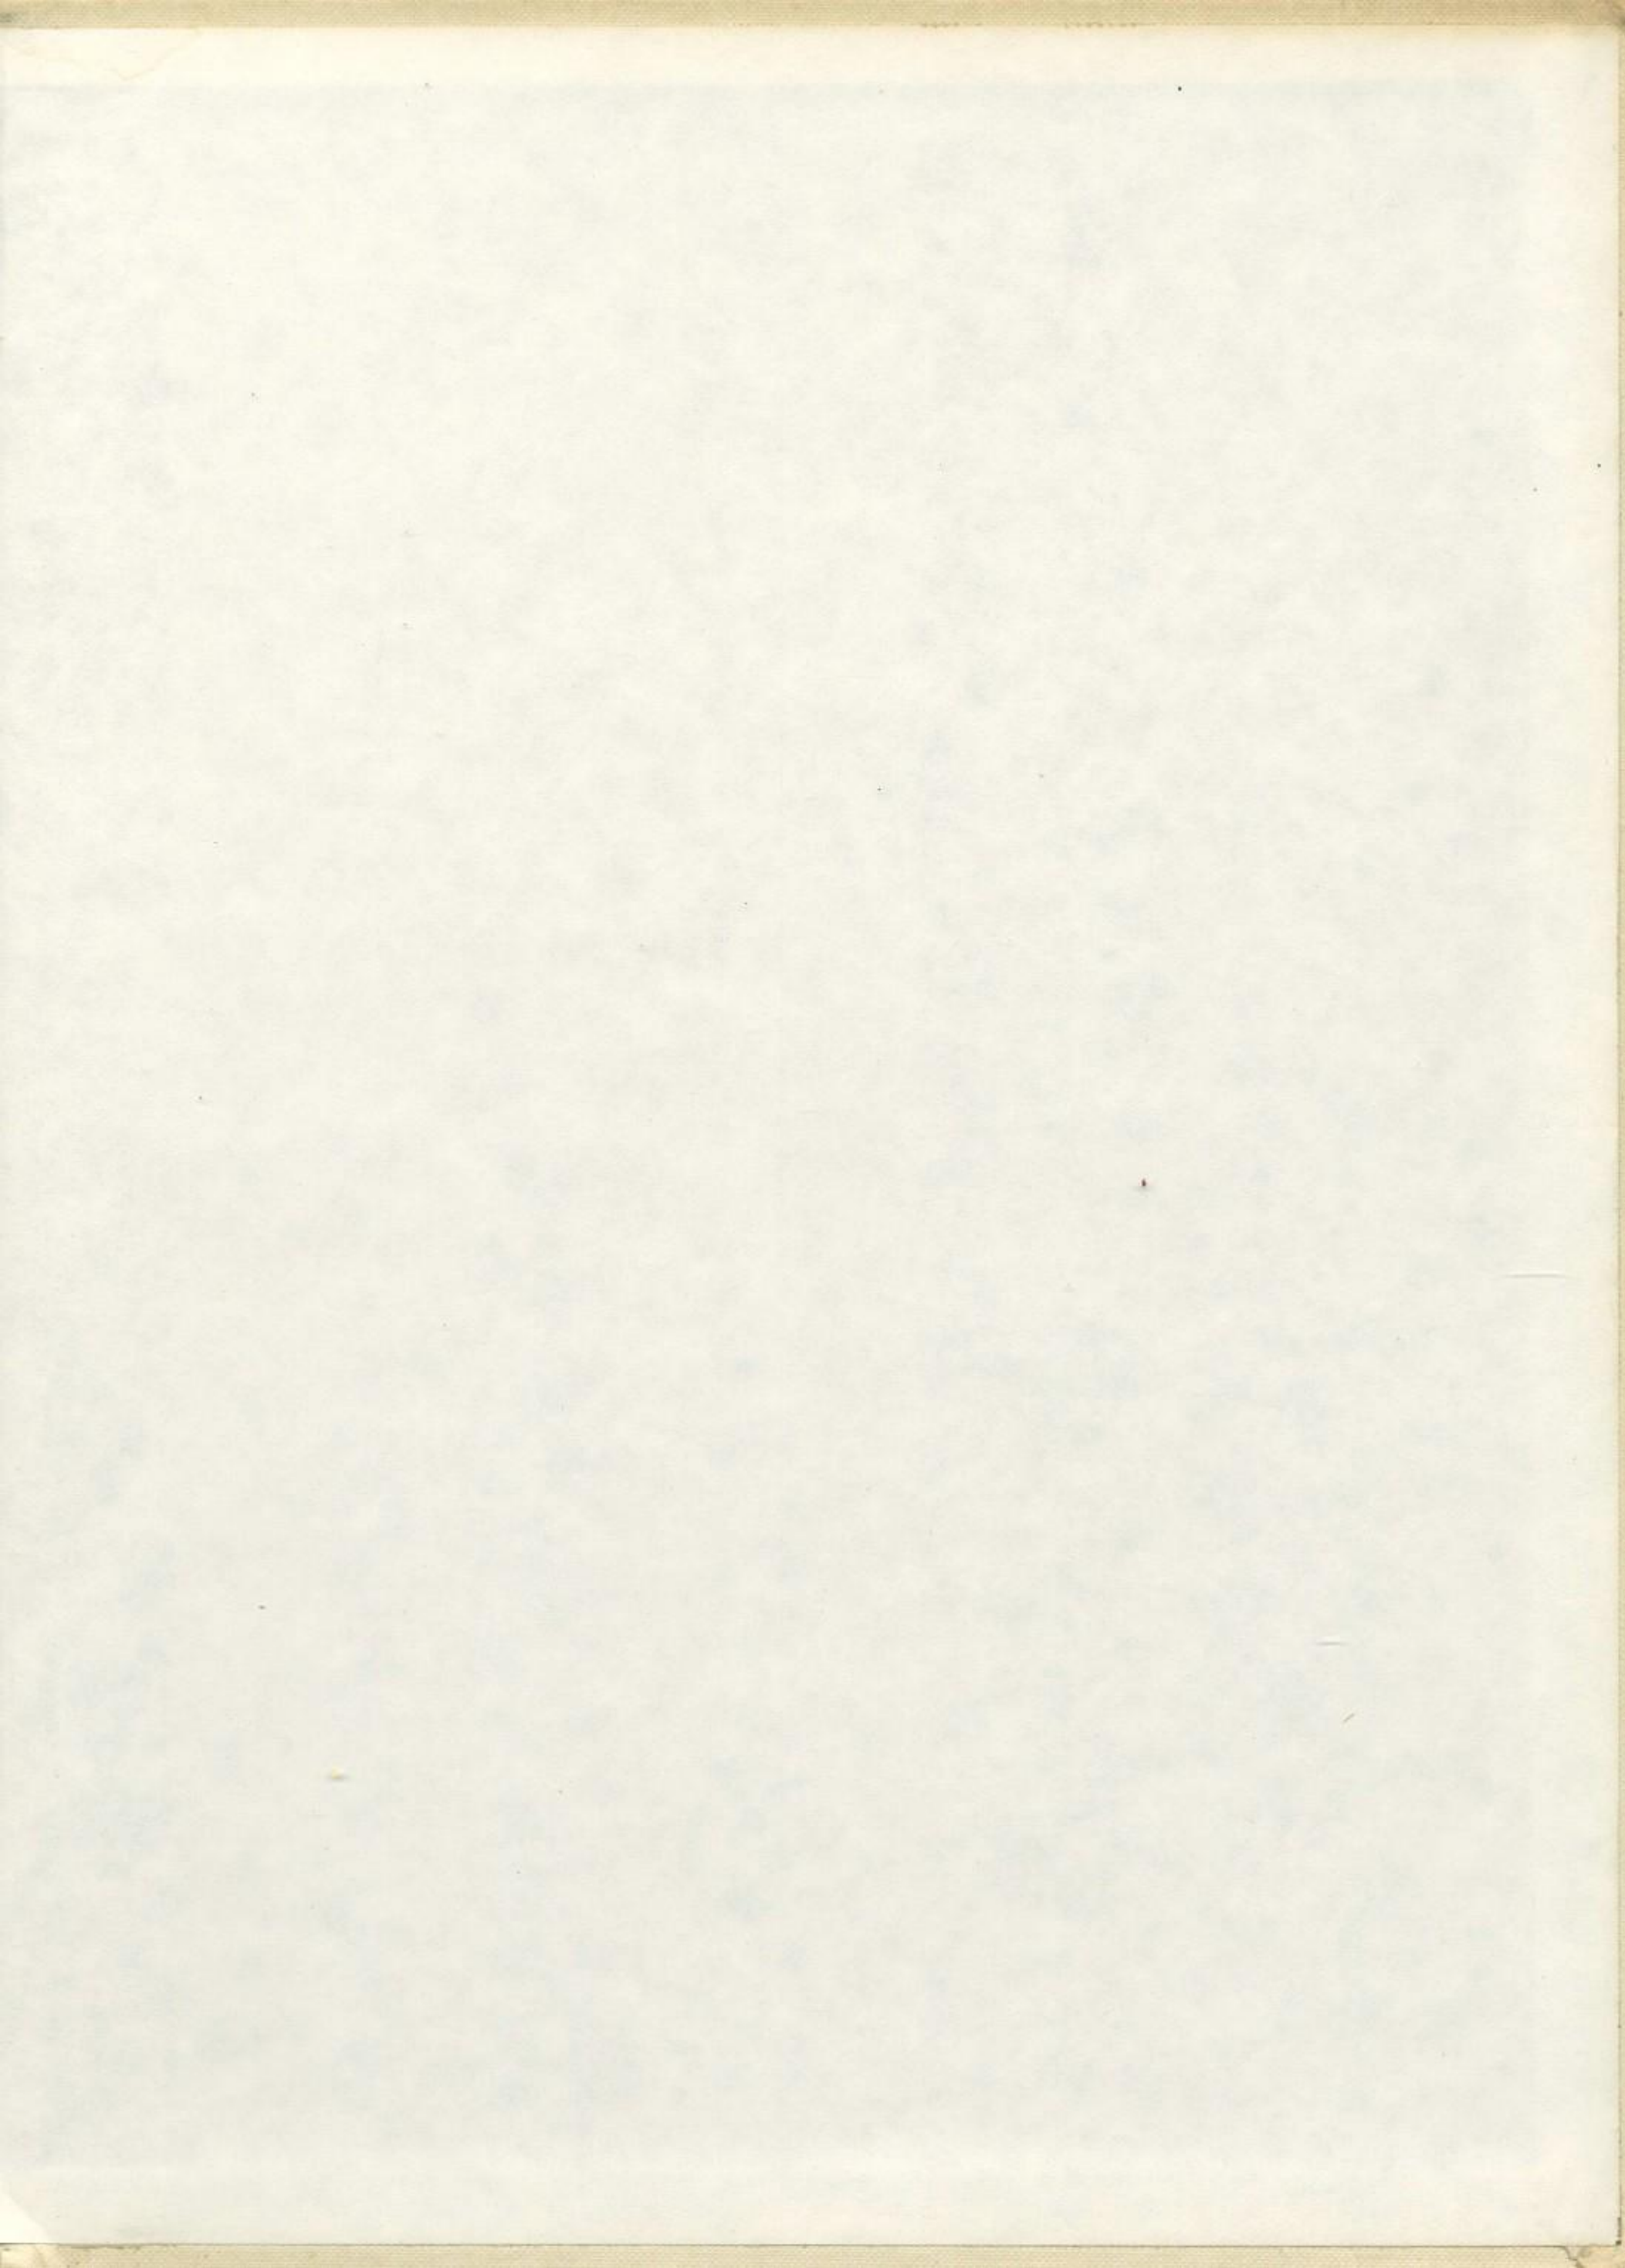

ACKNOWLEDGEMENTS

INTER-COLLEGIATE PRESS in Shawnee Mission, Kansas, printed the REFLECTION for the third straight year. The sales representative for our school was again Mr. Frank Lee, who checked in every couple of weeks to answer questions and to give helpful pointers.

We would like to express our sincere appreciation to Jim Hartman and Gino Fisher, who learned shortly after the year began how to become excellent photographers. They used their valuable free time taking pictures for us. Another big thanks goes to Karen Roop for taking her time during and after school to crop pictures. We would like to thank our advisor, Mrs. Ruth Neuenschwander, for always being there when we needed her. Above all, we would like to recognize and thank Mr. Jim Hopkins for all the work he did for us. Our sports section would not have been if it had not been for him. We appreciate everything anybody did.
